Find Missing Girl Dead in Burnside

Myfanwy Sander's Body Discovered in Field Near Home—Cause of Death Not Determined

The body of 16-year-old Myfanwy Sanders, daughter of Mr. and Mrs. Arthur F. Sanders, Marigold Avenue, Saanich, who had been missing since October 17, was discovered in a large field on Grange Road, near Burnside Road, about 5:15 p.m. yesterday by a woman who was exercising her dog and taking a shortcut home.

The body was fully dressed in the same clothes the girl wore on the day of her disappearance.

Her green overcoat was wrapped around her.

Saanich police reported her missing on Oct. 17 and requested the aid of Greater Victoria police departments in the search which has continued since.

Police officials refused to confirm or deny suspicions that the girl's death was caused by foul means.

When the body was found, aid of the Provincial Police was immediately requested and officers of that force went to the scene and took pictures. The spot now is guarded by auxiliary policemen, former members of the Civil Defence organization.

Cause of death was not known last night. Chief Josiah Bull, of Saanich police, stated that no visible marks of violence were found on the body and that cause of death would not be determined until this morning when Coroner E. C. Hart will take charge of arrangements for a post-mortem.

The body was said to be in a bad state of decomposition.

Reeve E. C. Warren, of Saanich; G. S. Eden and James Day, police commissioners, were called to the scene by the chief of police.

When the girl, who was known to her friends as "Dot," disappeared she was reported to have been wearing a green overcoat and a green skirt, brown shoes and sweater. At the time police said she might have been wearing a red 'kerchief.

Assisting in the investigations were two British Columbia Provincial Police officers, Detective-Sgt. J. A. Young and Cpl. Jack Sweeney. They took photographs of the scene and body.

The body was sent to Sands Mortuary, Ltd., at the request of Dr. E. C. Hart, the coroner, who was called to the scene. A post mortem will be held today.

Parents of the young girl, Mr. and Mrs. A. F. Sanders, Marigold Avenue, were informed by Sgt. Eric Elwell that the body of their daughter had been found.

Seven Saanich police officers were standing guard in the area in which the girl's body was found. They were augmented by two special policemen.

From Europe Day by Day—

THE TIMES, London

News and Comment on International Events selected from The Times daily and published in The Daily Colonist by special arrangement with The Vancouver Daily Province.

(Copyright, 1945, by Southam Co.)

LONDON, Nov. 9—The maintenance of economic stability in the United States has become more than ever a major concern to all peoples, comments The Times today with regard to President Truman's statement of wage and price policy.

It is to be regretted, says the editorial, that in this great debate on wages and prices so little is said about foreign markets which stand so sorely in need of the fruits of American productivity. The tendency to think of American economy as self-contained is still powerful.

The rebuilding of shattered Europe could absorb much of that surplus production whose effect on American industrial structure is feared by Labor leaders and by many officials.

The imminent visit of Mr. Attlee to Washington may help remind public opinion of the indivisibility of prosperity as well as of peace. Given adequate means of exchange and distribution, there is no conceivable plethora in the United States that could not be converted into plenty in a wider world and into prosperity for America, The Times says.

There is here, the editorial continues, a widespread sympathy for Mr. Truman's efforts to chart a course between the rocks of deflation and the whirlpools of inflation. But it is hard not to feel that it will be much more difficult for the United States to thread the narrow channel if the Government controls are to be indiscriminately discarded and free play of economic forces resumed.

Commenting on the growing dif-

Charge American Ultimatum Served

Chungking, Nov. 10 (Saturday) (AP). — A Chinese Communist spokesman charged today that an American ultimatum was served this week on the commander of Red troops at Shanhaikwan, coastal terminus of the Great Wall, to withdraw his forces 100 kilometres from either side of the Peiping-Mukden railroad. There was no American confirmation.

Chungking Peace Talk Canceled

Order to Stay Out of Manchuria Is Issued

CHUNGKING, Nov. 9 (AP).—Chinese Communists today issued a blunt "stay-out" warning to Nationalist troops waiting ominously by the thousands on Manchuria's southern border, along the historic Great Wall near American-guarded Chinwangtao.

The Reds canceled abruptly a scheduled afternoon peace talk in Chungking and said they would oppose entry of President Chiang Kai-shek's troops into Manchuria or any other "liberated areas."

The Government, they charged, is using 49 armies aggregating 127 divisions—nearly 1,000,000 men—for "this civil war," plus 350,000 puppet troops. Forty-nine of the Government divisions are supplied wholly or partly with American equipment, they asserted.

Bloody see-saw battles between Communists and Nationalists along sections of railroads in Shansi and Hopeh Provinces were reported today in a semi-official dispatch.

COMMUNISTS LAUNCH REPEATED ATTACKS

More than 8,000 Communist troops were reported launching repeated attacks on the city of Hwohsien in Southern Shansi.

The dispatch listed the recapture by the Nationalists of three rail points but also told of wrecked sections of railroads.

Chiang's troops, pouring from American transports in the China port of Chinwangtao, are facing "strong Communist forces" along the Great Wall ten miles to the north—ready for the main round of China's undeclared war, Richard Bergholz, Associated Press correspondent, reported from the scene.

Semi-official sources in Chungking confirmed his report, conceding that the Government likely will make its major drive to Manchuria by moving eastward from the Chinwangtao area along the Peiping-Mukden (Manchuria) railroad. Nationalists hope to reach Manchuria this month to replace withdrawing Russian occupation forces.

Dismisses Appeal On Election Act Voting Time Here

Dismissal of election act charges against the Victoria Machinery Depot Co., Ltd., and Falconer Marine Industries, Ltd., was upheld by Judge H. H. Shandley in County Court judgments handed down yesterday.

Rutur Thordarson had charged the V.M.D., and Colin Noble charged the Falconer Company with failure to give them two full hours off, with pay, for voting at the Dominion election. Magistrate H. C. Hall dismissed the charges, which were then appealed to County Court. R. D. Harvey, K.C., appeared for the appellants, and H. W. Davey, K.C., for the companies.

Judge Shandley in his judgment said he could not agree that every voter was entitled to two hours' holiday with pay. The governing section of the act said all must have "at least two hours" to vote.

"I am of opinion," His Honor said, "that the words 'at least' mean that if an employee has no time of his own other than noon hour, for voting, the employer shall allow him a reasonable period of time (and if necessary as much as two hours) to do so, without deduction of pay.

"In this case, the employee was not at work during all the polling hours—he was free at 4:30 p.m. I think it depends how far an employee is from his polling station.

Paying Insurance Claims on Autos In Big Barricade

WINDSOR, Nov. 9 (CP).—Insurance adjusters said today their companies have started payment of claims for damages to automobiles of private citizens forged into a 1,500-vehicle barricade around the strike-bound Ford Motor Company plant last Monday. The barricade was removed Wednesday on orders of United Automobile Workers of America (C.I.O.) union leaders.

Some 100 claims originally were filed but these have dwindled to 50 through withdrawal or disallowment after these owners found their machines in good condition.

Counter-Proposals From B.C. To Be Submitted to Conference

Dominion proposals to the Provincial Governments in August were not satisfactory to British Columbia, and the Provincial Government is now preparing counter-proposals to take back to Ottawa when the premiers' committee of the conference meets on November 26, Premier John Hart disclosed yesterday. The Premier will leave for Ottawa about November 21, possibly accompanied by Hon. R. L. Maitland, Attorney-General.

Ottawa was aware, before the British Columbia delegation left the opening conference to return home, that the proposals were not entirely satisfactory to the province, Premier Hart commented.

WOULD PLACE B.C. IN WORSE POSITION

"The present proposals are not acceptable because they would place us in a worse position than we now are." We have been evaluating their effect, and they are not working out satisfactorily," he stated.

It was hardly expected, he said, that the original proposals would be accepted as presented, but they formed a basis from which the Dominion and provinces could start. The great variation between provinces made an overall formula almost impossible.

British Columbia counter-proposals would seek to assist in solving the problem.

"I think all the provinces will be working on this basis," Premier Hart said.

ANTICIPATE GREAT DEAL OF DISCUSSION

He anticipated a great deal of discussion and probably a considerable number of conferences and committee meetings before final agreement was obtained. In the meantime an interim agreement to govern Dominion-provincial relationships during the period of discussion was probable.

Premier Hart again declined to comment on the B.C. Electric Railway Co., Ltd., stating it was a municipal proposition from the first, that the Government was concerned in it only at the behest of the municipalities, and that the municipalities had now made their decision.

Vancouver Has Record Snowfall

VANCOUVER, Nov. 9 (CP).—Vancouver has set up a second record in as many days today when the Airport Weather Bureau recorded a snowfall of 3.5 inches in 24 hours, highest November figure since the bureau was established in 1936. Previous November high was three inches November 13, 1937.

Strike Picture Darker

Union Flatly Rejects Ford Company's Offer

WINDSOR, Ont., Nov. 3 (CP). — The eight-weeks-old strike of Ford Motor Company workers tonight appeared no closer to settlement after a day of swift-moving conference developments that brought both company and United Automobile Workers of America (C.I.O.) proposals.

Tonight Labor Minister Mitchell told newspapermen he had a "long and earnest discussion" with union officials, who asked an opportunity to consult ranking officers of the U.A.W. and the Canadian Congress of Labor. Mr. Mitchell said he will stay in Windsor, at least until tomorrow.

The Minister's statement aroused a hope—though a slim one—that the union might give consideration to the company's settlement plan. Earlier George Burt, U.A.W. Canadian director, said the union's negotiating committee had decided unanimously to recommend rejection to the policy committee which is in session tonight.

The Minister said he expects to meet the union, probably tomorrow.

The company's offer—a six-point program providing for the appointment of an Ontario Supreme Court judge as arbitrator whose decision would be final—received a flat turndown by the union's negotiating committee. The company made no response to the union's plan for removal of picketing of the power house and office after a basis of union security had been guaranteed by the company.

The two plans came on the fifth day of negotiations.

A report from Ottawa that the strike had ended brought categorical denial here. J. S. McCullagh, chief conciliation officer of the Federal Labor Department, said "there is absolutely nothing to support" the Ottawa report, which came as Mr. Mitchell conferred in his Windsor hotel with union leaders.

Rainfall Ends City Cold Spell

Despite snow on other parts of Vancouver Island yesterday, Victoria was treated to mild rain, and watched the thermometer rise once again from its downward course of the past week.

Temperatures dropped steadily until Thursday, when a maximum of 38 degrees and minimum of 22 degrees was recorded here. Yesterday the maximum was 45 degrees, and the minimum 34 degrees.

Snow fell yesterday at Elk Lake, Patricia Bay, on the Malahat, and farther Up-Island. Snowploughs were called out to clear the Malahat summit yesterday, and seven inches of snow were recorded at Mill Bay, but roads were reported in good condition late yesterday because of mild rains.

Fuel dealers were only too aware of the cold snap, which warned hundreds of householders that their coal bins were in need of replenishing. Coal mine strikes and the labor shortage brought back memories of 1942, when fuel of any kind was at a premium.

At present local dealers report their reserves gone, and that coal expected is not enough to fill orders on hand. Others refused to take more orders, saying they could not make deliveries until January.

Today, however, will not be too hard on dwindling fuel stocks. The Gonzales Observatory predicts light to strong winds, and light rain in the morning, becoming partly cloudy in the afternoon. There was no indication of gales expected on the coast yesterday.

B.C.-Yukon Loan Record

VANCOUVER, Nov. 9 (CP).—With the new $100,000,000 objective virtually assured, British Columbia-Yukon area will wind up the greatest victory loan campaign in history Saturday night when the ninth Loan is scheduled to end.

New records for oversubscribing have been set by the public and armed forces of the Province.

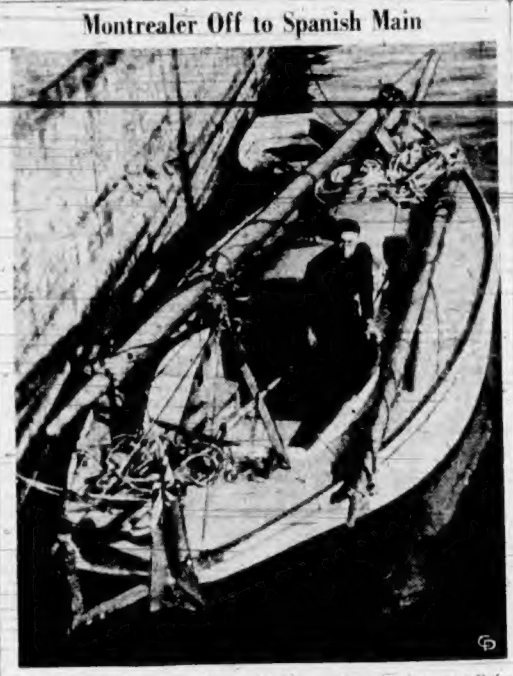
A total of $5,631,500 was subscribed in the ninth loan Friday through the general canvass channels.

Victory loan officials expect all 10 divisions in the Province to reach their minimum quotas by the time the drive ends.

Armed forces are the top division and have 498 per cent of their quota.

The only four units below objectives are: Nelson, with 85 per cent; Cowichan district, 96; Peace River, 79, and Cariboo Central, with 77 per cent.

Montrealer Off to Spanish Main



Fernand Langlois, above, 33-year-old Montrealer, who has set off for the Spanish Main on a six months' cruise with his brother, Hector, 28, in their 15-ton yawl Leda. It is the first yacht to sail from Montreal on a private cruise since 1939. Fernand and Hector, who just got their army discharge, say they haven't had a holiday for seven years.

Set Up Priority Plan For New Car Sales

OTTAWA, Nov. 9 (CP).—Canada's doctors, policemen, fire fighters and other essential users are going to get first priority on purchase when the new postwar automobiles make their appearance on the market under a priority distribution order announced tonight by Munitions Minister Howe.

Under the new order, issued by Motor Vehicle Controller E. B. Birchard, class "A" and class "B" priorities are set up. These will be obtained from rationing officers by prospective new car buyers who can prove their need and will be honored by car dealers.

Provision is made for incapacitated veterans who sold cars on enlistment and need new ones to re-establish themselves in their former businesses.

The Minister said the new order was designed to take care of the needs of Canada's most essential vehicle users until enough cars are available to permit enlarging the categories of eligible consumers.

MUST NEED CAR FOR PROFESSION

To qualify for a new car a purchaser must satisfy the rationing officer he needs it for his profession, business, trade or calling; that the new car will be used at least 75 per cent in mileage for such vocation, and that he has not disposed of a serviceable passenger car in order to get a new one.

If his application is approved he will be given a priority certificate good for 90 days and if the order and priority certificate is placed with a dealer within 10 days, it is renewable if the prospective purchaser has been unable to obtain a car within 90 days.

In alloting new cars, the order sets out that dealers will give first preference to holders of class "A" priorities and second preference to holders of class "B." Within each group the dealer will be required to fill orders in sequence according to the dates the priority certificates were placed with him.

No new delivery can be made by any dealer to a consumer unless the purchaser holds a priority certificate.

Included in the class "A" priority are certain motorists who required passenger cars for their duties in connection with health, police work, fire fighting, communications, maintenance of transportation systems, mail services and certain work of Federal, Provincial and Municipal Governments.

Thousands See London Lord Mayor's Show

LONDON, Nov. 9 (Reuters).—London turned out by the hundreds of thousands today to cheer on its way the annual Lord Mayor's show, a 730-year-old pageant.

Each year since 1215 the newly-elected Lord Mayor has ridden in procession from the Guild Hall, meeting place of the city's aldermen, to the law courts, at the Western boundary of the City, to seek approval of the King's justices on his election to high office.

Today's show lacked some of the ceremonial dress which used to make Lord Mayor's Day a thing of lasting wonder. For one thing, the 100-year-old gilded coach remained in its wartime hideout in the country.

Today's crowds with children well in the front, saw little of the newly-elected Lord Mayor, Sir Charles Davis, who went by in a closed automobile.

Japan Liberals Start Campaign

TOKIO, Nov. 9 (AP).—Japan's new Liberal party today entered the Empire's first peace-time election campaign with a platform calling for a "democratic system" under Emperor Hirohito.

Assembling in Tokio for the inaugural rally, party members served notice they would battle the Communist program to "overthrow the emperor and establish dictatorship."

A few Communists filtered into the park where several thousand persons were attending the rally and heckled the speakers, but there were no disorders.

The party placed in the field a list of 150 candidates pledged to the principle of living up to the Potsdam declaration for a peaceful Japan.

Police Foil Plot To Kill Spanish Cabinet Members

MADRID, Nov. 9 (Reuters).—A plot to ambush and shoot the entire Spanish cabinet was discovered by the secret police here, it was learned from a reliable source. Twelve arrests have been made and more were expected. The plot, described as Communist-inspired, is said to have included a plan to ambush the ministerial motor cars on their return from a cabinet meeting tonight at the Pardo Palace, ten miles from Madrid. Generalissimo Franco lives at the palace.

Machine guns were to be posted in the woods to fire under cover of darkness.

Move Threatens Stocks of Rubber

SAIGON, Nov. 9 (Reuters). — Stocks of rubber estimated at more than 100,000 tons are threatened by a new move in the Annamese Nationalists' campaign in Indo-China for independence from the French.

The Nationalists have declared they intend to burn all stocks of goods and raw materials as a measure of "total economic warfare."

An Anglo-French communique today said British forces in the Govap area of Cochin-China made a number of arrests after terrorist incidents.

Greater Victoria in Striking Distance of New Bond Goal

With results of the Canadian Scottish Regiment Tribute Day still to be tabulated, and preliminary reports indicating it was one of the outstanding days of the campaign to date, Greater Victoria is within striking distance today of its new objective in the Ninth Victory Loan.

Official figures last night showed a total subscribed to date of $10,469,600, representing $2,069,600 more than the original $8,400,000 minimum quota.

The new objective is $11,760,000, and to reach it $1,290,400 is required.

Vancouver Island's oversubscription drive continued to gain pace yesterday, and final tabulation is expected to show the division has maintained the outstanding record built up in eight preceding loans. It had 118.27 of its minimum quota yesterday.

Today is the final day of the campaign, and throughout the Island officials and canvassers will be driving for a spectacular finish, spurred by the example of members of the armed services in British Columbia who have subscribed 406.89 per cent of their original objective.

Island figures follow:

ISLAND UNITS—	New Objective	Subscribed	Pct. of Subscribed Quota
Greater Victoria	$11,760,000	$10,469,600	
Saanich, Esquimalt Rural and Gulf Islands	$1,340,700	165	
Cowichan-Duncan	1,160,600	165.9	
Courtenay-Comox	801,250	107	
Nanaimo	1,297,350	130.7	
Alberni-West Coast	842,600	137	
Ladysmith	296,050	138	

Victoria Dance Halls To Admit Couples Only

The stag and "stagette" line that gained wide popularity at dances in Canada throughout the war years will be a thing of the past in the dance halls of this city after Saturday night.

A joint announcement of dance hall managers states that, in the best interests of the public, ladies and escorts will be the standing rule from Monday night on. Only couples will be allowed to attend.

The voluntary step was taken here for improvement of entertainment generally. The managers in general believe it to be an excellent step.

Victoria is merely following a standard set throughout some provinces and in many cities across the country by its action.

Fewer Jobs Available In British Columbia

VANCOUVER, Nov. 9 (CP).—There are fewer jobs now available for workers in British Columbia than at any time during the last nine months, Selective Service officials said today. There are 7,580 jobs open to men and 2,186 to women.

Inclement weather has curtailed logging operations and consequently sawmill operations, thus causing a drop in labor demand.

British Reported To Be Bombarding Java Naval Base

No Confirmation of Statement by Indonesian Spokesman—Report Follows Renewed Ultimatum

BATAVIA, Nov. 10 (Saturday) (AP).—A spokesman for the unrecognized Indonesian Republic reported that British forces started shelling Soerabaja, Java naval base, at 6 a.m. today. The bombardment was said to be increasing in intensity at 8 a.m.

The Indonesian report was not confirmed at noon by the headquarters of Lieut.-Gen. Sir Philip Christison, Allied Commander in the Dutch East Indies. His headquarters issued a statement that it had "nothing to report" and that "communications were not working well."

The Indonesian spokesman said that many Indonesians were killed or wounded by the shelling. He added British forces presumably employed both artillery and warships.

The report of the shelling came after the Indonesians had been given an ultimatum to surrender their arms by 6 a.m. today. Earlier, British reinforcements were reported to have assumed new positions in Soerabaja, where an explosive tension reigned.

British planes showered leaflets on the naval base, outlining the exact procedure for unconditional surrender by the Indonesians. A Dutch monitor at Soerabaja, however, said Nationalist leaders were exhorting their followers by radio to battle to the last.

A general uprising threatened all through the rich island of Java, led by an army of 100,000 Indonesians determined to resist restoration of Dutch colonial rule.

BRITISH ADMIT SITUATION CRITICAL

British military authorities admitted the situation at Soerabaja was critical. They announced that clashes to date in the naval base had caused 303 British and Indian casualties, including 31 killed, 189 missing and 83 wounded.

Beside instructing Indonesians on how to surrender their arms, Lt.-Gen. Sir Philip Christison, Allied commander in the Dutch East Indies, issued a proclamation declaring the British authorities would "tolerate no resistance" in seeking out and punishing those responsible for the slaying of Brig. A. W. F. Mallaby about ten days ago.

Gen. Christison declared that the current British action was not "an attack on the liberties of the Indonesian people" nor an attempt to settle the political future of Indonesia by force.

NO QUARREL WITH INDONESIAN PEOPLE

He said the situation in Soerabaja differed from the rest of Java and "doesn't concern the rest of Indonesia."

"The British have no quarrel with the people of Indonesia," Gen. Christison added, stressing that it was the "extremists" in Soerabaja who would be punished.

"It is only on those who attack us or prevent us from carrying out the tasks set out for us by the United Nations at the Potsdam Conference that we shall turn the full strength which has defeated Germany and Japan," he said.

Atomic Secret To Be Subject Of Talk Today

Attlee and Mackenzie King to Visit Truman

WASHINGTON, Nov. 9 (CP).—Prime Minister Mackenzie King is due here early tomorrow for secret discussions with President Truman and Prime Minister Attlee on the problem perplexing the whole world—that of the future of atomic energy.

Mr. King, who arrived in New York today after a trans-Atlantic trip from Southampton, in his long role as a political leader has never participated in deliberations so important to all the world.

Political aspects of the problem will occupy the three conferees, at least in the early stages of their discussions. The outstanding question is whether or not the three countries which united in mastering the secret of atomic energy will share their knowledge with other countries.

The opinion remains strong in Washington that the three leaders will enter the talks with a desire to place the future of atomic energy in the hands of an international committee, possibly the security council of the United Nations if and when that body comes into full operation as guardian of world peace.

ATTLEE LEAVES BY SKY-MASTER PLANE

Mr. Attlee left an airport near London at 6:30 p.m. in a Sky-master plane, followed by another plane carrying Sir John Anderson, chairman of the British Atomic Energy Committee. The party is flying via Newfoundland. It includes Francis Williams, public relations officer at 10 Downing Street.

In Washington, Congressional leaders arranged for Mr. Attlee to address a joint session of the House of Representatives and Senate at 9:30 a.m., P.S.T. Tuesday. Late next week he is expected to be the guest of Mr. King in Ottawa.

Prime Minister Mackenzie King landed at New York today from the troop-laden liner Queen Mary, at 9 a.m. He spent the remainder of the day quietly in New York. He left by train late tonight for Washington.

Detroit Ford Workers' Vote Favors Strike

DETROIT, Nov. 9 (AP). — More than 90 per cent of the Ford Motor Co. employees voting in a National Labor Relations Board election favored striking to support their 30 per cent wage increase demands, the board announced tonight.

The vote was 42,235 for a strike and 3,951 against, with 372 ballots voided.

The strike vote, the third conducted by the N.L.R.B. among C.I.O. United Auto Workers' members in plants of the automobile industry's "Big Three" was taken over a three-day period.

General Motors Corporation and Chrysler Corp. employees already have voted overwhelmingly in favor of strikes to back their wage boost demands.

Meanwhile the U.A.W. again rejected a General Motors Corporation offer of an eight to ten per cent cost-of-living wage increase and assailed the proposal as "pure economic poison."

Two Winnipeg Papers Unite To Print News During Strike

WINNIPEG, Nov. 9 (CP).—The Winnipeg Free Press and Tribune tonight planned a combined operation for publication of a newspaper tomorrow after a suspension of both papers today when composing room staffs failed to report for work.

A tabloid paper is planned for tomorrow, handled through a commercial printing firm and carrying on its masthead the title, "The Winnipeg Free Press and Tribune."

Action by the papers followed late-day developments in a dispute between the papers and 120 printers, members of Local 191, International Typographical Union (A.F.L.), who held meetings pending settlement of arbitration procedure and negotiation of a new wage scale.

After a stalemate of negotiations in which a conciliator of the Manitoba Wartime Labor Relations Board participated, the Dominion Government, called on Mr. Justice W. J. Major, of Winnipeg, to act as mediator.

He immediately called a union-management conference, but it was adjourned till tomorrow after several hours' discussion.

Earlier in the day the publishers said that the chief point of difference was the union representatives' refusal to submit all matters of dispute to arbitration.

It was the first time since 1919 that Winnipeg had been without a daily paper. In May of that year, pressmen left their jobs for two weeks during a general strike of all public utilities in the city.

"NOT A STRIKE," UNION LEADER SAYS

The union is seeking 48 hours' pay for a 40-hour week, the new contract to contain a fixed weekly wage instead of the present hourly rate of $1.02 an hour.

"It is not a strike," a union leader said. "The men are availing themselves of their prerogative of attending a union meeting."

The publishers' statement said: "While negotiations under a Wartime Labor Relations Board conciliator were in progress . . . composing room staffs of both papers went into continuous session at the Labor Temple and failed to report for duty. It was impossible for the Winnipeg daily newspapers to publish their regular editions . . ."

Charges British Instigated Riots

NEW YORK, Nov. 9 (CP).—Rabbi Stephen S. Wise, president of the World Jewish Congress, charged in a broadcast discussion Thursday night that officials of the British Colonial Office instigated recent anti-Zionist Arab riots.

The veteran Zionist leader said: "These riots were instigated by the Arab League under the leadership of reprehensible underlings of the Colonial Office."

To Those Convalescing After Severe Illness

After many severe illnesses or serious operations the patient is very often left in an extremely weak, nervous, run-down condition.

To all those convalescents who need some kind of a tonic to stimulate and build up the weakened system, we would recommend Milburn's Health and Nerve Pills to assist them back to health—happiness again.

These pills help supply elements necessary to assist the convalescent in bringing back bodily strength and vigour.

Price 50c a box, 65 pills, at all drug counters.

Look for our registered trade mark a "Red Heart" on the package.

Victoria Flyer Among Airmen Getting Honor

OTTAWA, Nov. 9 (CP).—In the first announcement of award of Netherlands decorations to R.C.A.F. personnel, Air Force headquarters tonight disclosed that 10 members of Canada's Air Force, including Flt. Lt. R. E. Churchill of Victoria, have been honored by the Netherlands Government in recognition of services rendered to Holland's cause.

The awards included two Netherlands Flying Crosses to R.C.A.F. men who took part in dropping special service troops and supplies to Netherlands underground workers, seven Netherlands Bronze Crosses for gallantry in connection with operations over Arnhem. A Netherlands Bronze Lion, a new decoration, went to Wing Cmdr. J. A. Sproule, D.F.C., for gallantry in operations over Arnhem.

The Canadian recipients include:

THE NETHERLANDS FLYING CROSS

Flt. Lt. R. N. Bassarab of Gleichen, Alta.; Flt. Lt. R. E. Churchill of 808 St. Charles Street, Victoria, and Edmonton.

THE NETHERLANDS BRONZE CROSS

Sqdn. Ldr. J. D. Mitchner, D.F.C., of Saskatoon; Sqdn. Ldr. W. A. Prest of Prince Albert, Sask.; FO. J. P. E. Dechamplain, Legal, Alta.

Victory Loan Record

High tribute to the performance of Greater Victoria mercantile and industrial establishments for their record in the Ninth Victory Loan campaign was paid yesterday by officials in charge of the payroll sections of the campaign committee.

The quota set for these establishments was equivalent to 12 per cent of payroll, totaling approximately $1,532,000. To date the employees have subscribed more than $2,000,000, and many canvasses are still incomplete.

Payroll firms winning their honor pennants yesterday included Sidney Roofing and Paper Co., Ltd., and the Royal Jubilee Hospital. Among payroll firms achieving their minimum quota were The Colonist Printing and Publishing Co., Ltd., Esquimalt and Nanaimo Railway Co., Ltd., Hudson's Bay Company and Victoria Bed and Mattress Co., Ltd.

Group payroll firms going over the top were Joseph Heaney's Cartage and Storage, Ltd., and Hoyle-Brown, Ltd.

cost Holland 200,000 civilian and military deaths excluding those in the Netherlands Indies, the Dutch radio at Hilversum said tonight.

Food "Scrounging" Helped Canadians

VANCOUVER, Nov. 9 (CP).—Canadian prisoners of war reaching Manila from Japan were in better shape than those of any other nationality, Maj. A. C. Barwick of Montreal, said in an interview here today.

Maj. Barwick was second in command of the Canadian military rescue team which [illegible] to direct the return of the men to Canada.

"The Canadians were good scroungers," said Maj. Barwick. "When the Japs didn't give them enough food they managed to get out and scrounge some."

Council Aroused

NANAIMO, Nov. 9.—The city council passed a motion to reprimand the person or persons unknown for not carrying out instructions regarding the storing of equipment at Gyro Club playgrounds when the season closed. Action arose out of a complaint from C. W. Swanson, who stated benches were left piled against a building and children used them to climb on the roof, which might lead to an accident.

The council decided to investigate all the circumstances, and see if a labor shortage caused the delay in placing the equipment in storage for the Winter.

Two money by-laws passed third readings. They were the Nanaimo Schools Loan By-law to borrow $107,000 for three new elementary schools, and the City Hall By-law to borrow $117,000 for a new city hall.

Both will be submitted to the ratepayers at the December elections. December 10 was named nomination day. Harold Hackwood, city clerk, will be returning officer for the elections to take place on December 13.

COLOMBO, Ceylon, Nov. 9 (CP).—The Ceylon State Council today voted 51 to 3 to accept a British white paper proposal for a new Ceylon constitution as a step toward dominion status. The white paper recently recommended a constitution modelled on British lines.

Ninth Loan Has Fewer Sales But Total May Be Highest Yet

OTTAWA, Nov. 9 (CP).—Having brushed aside the $1,500,000,000 minimum objective, Canada's Ninth Victory Loan tonight appeared headed for new record highs for both the total subscribers and the amount of oversubscription in any loan campaign.

With the returns for today and tomorrow still to come, the grand total stood at $1,520,488,600 at the close of business Thursday, compared with $1,146,398,850 at the 16-day mark of the eighth campaign. Thursday's sales were $110,345,400 against $94,127,900 on the corresponding day of the previous loan.

Only in the number of individual applications has the present drive fallen behind the last loan pace. While the dollar value of individual subscriptions already has exceeded the $800,000,000 objective by $32,163,750, fewer sales have been made. The 12 instead of six-month time payment feature of the present drive has resulted in larger average individual purchases, but fewer of them.

Loan headquarters tonight issued a comparison by provinces of the number of individual applications in the two loans. Quebec topped the list with 79.71 per cent of applications in the eighth loan signed by Thursday night, followed by British Columbia - Yukon, 78.02; Manitoba, 75.02; Alberta 70.08; Ontario, 67.88; New Brunswick, 64.15; Nova Scotia, 63.77; Prince Edward Island, 57.64, and Saskatchewan, 56.94.

To Protect Animals

Action to prevent veterinarians from practising without proper accommodation and equipment will be requested of the Attorney-General's Department by the British Columbia Society for the Prevention of Cruelty to Animals, it was disclosed yesterday.

The monthly report noted 50 inspections, 60 investigations, 14 animals destroyed and seven warnings issued. James Barr, president, announced the fund for a modern animal shelter now totaled $721.

Province and B.C. Electric May Become Competitors

Possibility of the Provincial Government, through the Power Commission, becoming a competitor of the B.C. Electric Railway Co. Ltd., is seen here as a result of the municipalities' decision to forego plebiscites on public ownership of the B.C.E.R.

Should the company proceed with its announced $50,000,000 program, including development of power at Bridge River and improvements in Lower Mainland and Island centres, it is believed unlikely that the cities will again open the question, at least for a long time. Financing of the acquisition was one of the major factors in the municipalities' decision this week, and additional capital expenditure by the company would not ease that problem.

The Government had proposed to take over generation of power and primary distribution to utility districts if the B.C.E.R. were taken over. Generating plants involved would have included the Mainland and Island plants.

GOVERNMENT MAY PRODUCE CHEAPER POWER

The Vancouver Island situation may lead to direct competition. The Government Power Commission is going ahead with a power plant at Campbell River, and it was suggested during the election campaign that ultimately this plant would supply power as far south as Victoria.

B.C.E.R. through the Jordan River hydro-electric and Brentwood steam plants is now supplying the southern section of Vancouver Island, and is selling power to Nanaimo-Duncan Utilities, one of the companies taken over by the Power Commission.

The Government is committed to a province-wide power program, and under ordinary circumstances will be able to produce power more cheaply because it will not have to pay Federal taxes.

On College Council

Colonist Photo

J. B. CLEARIHUE, K.C.

Who is a member of the board of governors of the University of British Columbia, has been appointed to the Victoria College Council, according to an announcement made yesterday at Vancouver by university officials.

Mr. Clearihue studied at McGill, and was a Rhodes Scholar at Oxford. He served overseas during the Great War, and won the Military Cross.

With Mr. Clearihue on the newly formed council will be the dean of the faculty of arts and science at the university and two members yet to be appointed from the Department of Education.

Men who think of tomorrow

GUARD AGAINST INFLATION *Today!*

Old Man Inflation stands just around the corner ready to snatch at your pay envelope and short-change you in return. It happened after 1918, and it can happen again.

It's strange but true that the only ones who can save us from inflation—excessively high prices—are ourselves. It's spending those *extra dollars* that bids up prices on everything that's still scarce. And once started, inflation spreads like a forest fire to everything we use or consume.

So let's fight the temptation to spend unnecessarily. Let's put every extra dollar into Victory Bonds and hold onto the Bonds we already have.

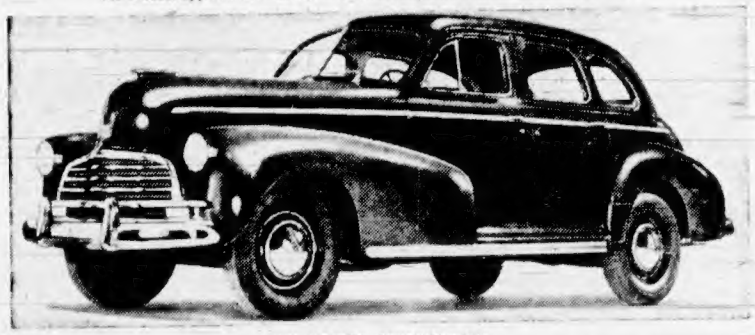
Think of tomorrow . . . and you'll agree the thing to do is *not* to cash Victory Bonds but to go and buy more!

THE HOUSE OF SEAGRAM

All You Need Is a Priority to Get One

1946 MODEL CADILLAC

Design changes have been directed toward more massive appearance in the new eight-cylinder Cadillac for 1946. Fog lamps, set in the front fenders, provide an additional safety factor, at the same time adding to the overall appearance. Many mechanical improvements have also been made.



1946 MODEL CHEVROLET

The 1946 Chevrolet is a completely new car when compared with prewar models. Features include the new radiator grille, deeper bumpers and more widely spaced headlights. These give the Stylemaster Sedan, shown above, the appearance of ruggedness. The latest model provides for scientific cooling and a balanced fuel system to ensure economical operation. Improved knee-action facilities and shockproof steering will mean maximum comfort.

1946 MODEL OLDSMOBILE

Oldsmobile's 1946 creation incorporates a long list of new features and advancements resulting in improved appearance, performance and driving ease. One of the most important of these is the new hydra-matic drive —available as an option—which affords full automatic shifting through four forward speeds and totally eliminates the clutch pedal.

Vancouver Police Chief Seeks Bigger Force as Crime Grows

VANCOUVER, Nov. 9 (CP)—Chief Constable A. G. McNeill, in his police report for October, today said burglaries rose from 168 in September to 196 which compared also with 181 in October, 1944. There were 30 cases of hold-ups compared to 23 the previous month and 13 in October, 1944.

Auto thefts soared to 146 and 126 in September and 116 in the previous October.

It was reported earlier today that Chief Constable McNeill asked police commissioners to increase the Vancouver police department 50 per cent and create two sub-police stations in South Vancouver and Point Grey districts.

The proposed changes could be introduced at the start of 1946 if city council is agreeable.

Chief McNeill's proposals were:

1. Boosting the strength of the force from 430 to 655 men.

2. Creation of sub-police stations, to be known as "B" and "C" Divisions.

3. Substantial increases in the traffic squad to cope with heavy traffic increases in Vancouver and upward trend of accidents and deaths.

4. Increase in the department's policewomen's division from two to six and elevation of the leader to rank of inspector.

Chief McNeill told commissioners that Vancouver's population has jumped nearly 65,000 during the war years and that unemployment now is on the increase. He said the suggested sub-headquarters would decentralize police activities and provide better protection for suburban communities.

"Hams" Returning To Ether Nov. 15

"Ham" radio operators throughout Canada and the United States will go back on the air on seven frequencies on November 15 with the partial lifting of the wartime ban, announced yesterday by Reconstruction Minister Howe.

Forty city operators and prospective operators, members of Victoria Short wave Club, found this a lively topic of conversation at Strathcona Hotel last night when they gathered for the club's first annual dinner meeting since it revived from wartime dormancy. The following officers were elected: G. F. Green, president; H. R. Hough, vice-president; David Scholes, secretary; Ernest Lindley, treasurer; Earle Cross, George Ball and Ernest Cooper, directors.

Officials of the club pointed out that previously licensed "hams" who wanted to go back on the air should get in touch with radio inspectors and give their previous licence numbers, with description of type of equipment to be used. Amateurs have been allotted the following frequency bands: 28-29.7; 56-60; 144-148; 2300-2450; 5250-5650; 10000-10500 and 21000-22000 megacycles.

Fire Department Reduction Due

A gradual staff reduction in the city fire department will follow the termination of the Dominion Government's wartime contract, Alderman H. M. Diggon, chairman of the fire wardens, said yesterday.

Since the start of the contract in 1942, the Government has paid $21,000 a year for the use of one piece of equipment and a 12-man crew to protect Yarrows Ltd. and other Federal property, Alderman Diggon pointed out.

18,762 Men Get Gratuities

OTTAWA, Nov. 9 (CP)—A total of $11,766,953 was paid to 18,762 Canadian Army ex-service personnel applicants for war service gratuities during September, bringing the total gratuities paid to September 30 to $63,206,672, the Defence Department announced tonight.

Total rehabilitation grants paid to $1,030,111 in September and clothing allowances for the month totaled $3,343,836.

This compared with a total of 15,870 gratuity applicants passed for payment in August. Entitlements paid up to the end of that month had totaled $51,439,719.

Nazi Sympathizer Is Sent to Jail

VANCOUVER, Nov. 9 (CP)—George H. Nemechek, 18, a self-admitted Nazi sympathizer, was sentenced to three months in jail by Magistrate F. S. Wood today when convicted on a charge laid under the Defence of Canada Regulations.

It was charged that Nemechek caused to be issued a letter containing statements likely to be prejudicial to the successful prosecution of the war. He pleaded guilty to the charge.

The letters, dated November 23 1944, and addressed to Mr. Justice A. M. Manson, chairman of the Regional Mobilization Board, said in part:

"I need only state that my brother is now serving in the German Army at this time. Do you expect me to shoot my own brother—or my cousins—or to fight against my own convictions which are definitely pro-Nazi. I believe in the German political economy, which also embraces those of Japan in political thought."

The number of telephones in Argentina doubled between 1939 and 1943.

Larger Library Needed in City

Plans for a new library building, as part of a program to improve library service here, will be made in the near future, it was decided at the October meeting of the Victoria Public Library Board on Thursday. Directors pointed out the present building was too small for the stock of books, periodicals and films and for the service given.

In her monthly report to the board, Miss Margaret Clay, librarian, stated that work connected with servicemen returning to civil life and repatriates at Gordon Head and Macaulay Camps, was the largest single activity of the month.

Last month 357 books were added to the adult circulation department, 72 to the reference collection, and 146 to the boys' and girls' department, Miss Clay said. She added that 128 films had been shown to 11,916 persons, and that since the beginning of the year, 63,631 persons had seen 926 films at 232 showings.

Circulation figures revealed that while adult fiction withdrawals of 15,944 were 6 per cent less than in October, 1944, non-fiction withdrawals were up 13.2 per cent for the same period. Up to October 31, the sum of $12,101.02 was spent for books, periodicals, binding and repairing.

Commencing November 19, the library will not open until 1 p.m. each Monday because of the overcrowded condition of the building and difficulty in carrying on routine work.

TO ADDRESS TEACHERS

Reed Fulton, principal of West Seattle High School, will be Education Week speaker at a dinner of the Greater Victoria Teachers' Association, to be held at Terry's dining-room on Wednesday at 6.30 p.m. His subject will be "Can We Do It?"

Former lecturer at the University of Washington, he has been an education administrator in Seattle for 20 years, and is the author of six novels. After leaving Victoria he will address a teachers' convention Up-Island.

Health Services Debate Proposed

A written brief on the amalgamation of city and school health services will be presented to a committee of the whole City Council at 2:30 p.m. Tuesday by Dr. Murray Anderson, who has recently returned from service with the Canadian Army.

Dr. Anderson, who left his post as school board doctor, is slated to head the amalgamated services.

A union of the two health services was effected on September 1, but the union of services as an organized whole will not be carried out until January 1.

The council as a committee of the whole will also meet the school board on Tuesday afternoon to discuss the financing of new school buildings.

ANACORTES FERRY RUN

Effective November 19, ferry service between Anacortes and Sidney will be discontinued for the Winter, it was announced yesterday by the Puget Sound Navigation Company.

Fatigue is From the Nerves

Fight Chronic Fatigue By Building Up Nervous Energy

You work hard and are tired—that is one kind of fatigue which is soon relieved by rest.

But chronic fatigue—always tired—is an entirely different condition. It comes from exhaustion of the nerves. When you have chronic fatigue you sooner or later become restless, nervous and irritable and simply cannot rest or sleep well.

Chronic fatigue may come from overwork, either mental or physical, or from worry and anxieties which consume nervous energy at a tremendous rate.

The appetite fails, digestion is upset and you do not get sufficient nutrition to build up nervous energy.

The treatment recommended is Dr. Chase's Nerve Food because this medicine contains the food minerals required to help restore nervous energy and vitamin B_1 which is so helpful to the nerves and helps to improve digestion.

That Dr. Chase's Nerve Food has been helpful to many thousands of people during the nervous strain of recent years is best proven by the very marked increase in sales. Business executives and office staffs, factory superintendents and workers, housewives and school children—all classes, benefit by this dependable and time proven food treatment for exhausted nerves and chronic fatigue.

Why not take advantage of this medicine from which you may expect such benefits as so many others have obtained. Ask your druggist for the new economy size bottle of Dr. Chase's Nerve Food, 60 cents a box of 60 pills; economy size bottle 180 pills for $1.50.

FOR NEW PEP AND ENERGY USE

A duty to those who have fought

All through our history efforts have been made to repay, in some small measure, the debt owed to those who have fought for their country. After the Seven Years' War and the Napoleonic Wars, soldiers were offered grants of land and other inducements, and hundreds of officers and men settled in Upper and Lower Canada.

This time we must do much more for our returned men than was done for the soldier settlers of early days. We must give them the training, the education, the money and the facilities to establish themselves quickly and successfully in civilian life.

That is one reason why we must all support the Ninth Victory Loan. Money is needed to support our army of occupation; to provide hospitalization for the wounded; to transport the men of our armed forces back home.

Above all we must see that our returned men are more generously treated than those of other wars, who in spite of their meagre equipment helped to make Canada great. What they achieved we must hold.

In 1818

the members of the 99th Regiment of Foot, stationed at Quebec after serving in Wellington's Peninsular campaign, were offered the opportunity of settling in Canada. The party, in charge of an officer, proceeded to Lachine, thence up the Ottawa River, and through the bush to the new depot at Richmond. Their families lived in tents while the men cut roads and built cabins.

Privates received 100 acres of land (larger grants for officers), with free transport to the settlement for men and their families, pensions of from sixpence to a shilling a day and army rations for twelve months. The head of each family received an axe, broad axe, mattock, pickaxe, spade, shovel, hoe, scythe, drawknife, hammer, handsaw, 2 scythe stones, 2 files, 12 panes of glass, 1 pound of putty, 12 pounds of nails, camp kettle, bed tick and blanket.

Canada's Response

Across Canada yesterday the Ninth Victory Loan, the eleventh war-purpose subscription in Canada, was reaching its final goal. Upwards of $1,500,000,000 had been pledged by the people out of their savings. The exact figure cannot be known for a little while, but it is likely to include a handsome over-subscription of the loan. That is an impressive demonstration to the world that Canada is sound, and that her citizens are prepared to act together to see this country steadily into the calmer waters of peace.

Victoria, as usual, has matched her obligations to the full. Vancouver Island and Gulf Island communities have increased their subscriptions beyond what they were asked to invest. Throughout British Columbia from the largest city to the smallest hamlet the same account today is being told. Bracketed with the Yukon, British Columbia has done well. It was the first of the nine Provinces in Canada to reach its goal. There is no mistaking the unanimity of the support that has made of this loan the outstanding success of them all.

There is a corollary to that. It will be the obligation of the federal Government to take this money and to use it wisely and well. This country expects action right down the line on rehabilitation problems. A fine beginning has been made in getting our fighting men home. The next task, after that is completed, is to secure for them satisfying lives. It can be done, and it must be done if this nation is to live up to its obligations to the men who defended Canada on almost every battlefield in the World War.

The outstanding success of the Ninth Victory Loan is a triumph for the people of Canada. It shows that they are thinking in terms of the tasks that must be done. It is that frame of mind which will make easier everything that must be done in order to secure the peace.

Weather Services

The excuse under which Victoria was deprived of its weather bureau services, locally observed and locally reported, was rather thin in the first place. Canada did not need to stultify this service to complete its purpose in meteorological information for and by the Royal Canadian Air Force. The war has ended, however, and there is no excuse whatever for not restoring the weather bureau at Victoria. The community wants that done.

Victoria was selected specially for Dominion meteorological observations. As we have pointed out, that was because of clear skies, the relative absence of fog throughout the year, the presence of light winds which keep rain clouds away on most days, and the long range across water over which free balloons and other testing paraphernalia could be observed and their movements recorded. These factors are the same today as they always were. Victoria is a scientifically favored observing post.

The need meanwhile for more, and not less, attention to meteorology in Canada is obvious. There are world weather charts to prepare now, from sampling done at innumerable points about the globe. Canada will require official observing stations where special research can be carried on. This is the logical spot for one such station on the Pacific. It has behind it years of recorded observations, and records are no small factor in themselves. Nor need this interfere one iota with flying services and what they need from the meteorologists. The two purposes are distinct.

Interim Solution

Both the Dominion and the Provinces would be wise if at the Dominion-Provincial conference to resume at Ottawa shortly they follow some such plan as suggested by Premier John Hart, and agree upon an interim policy which would hold for, say, the next three years. That would do two things. It would grant the Dominion some needed easements now. It would assure the Provinces that they were not to be sewn up tight in an arrangement as final as has been the original pact of Confederation.

The next three years will be changing times in Canada. Little will be at its normal position, or on its normal level. It is difficult to plan in a moving field. No hard and fast arrangement made now would be comfortable in one year's time, or even bearable in three years' time. A working compromise between what the Dominion seeks and what the Provinces will not yield must be reached, and it can be reached only upon middle ground.

Without prejudicing British Columbia's detailed case, which has not yet been made public, we think that an interim settlement would afford the conference its best hope of success at this time. Let the Dominion pare its requests to the most reasonable minimum dictated by necessity. Let the nine Provinces see how far they honestly can go to meet that. And let it be understood from the start that three years from now the whole arrangement will be overhauled in the light of the then known facts. A working, interim plan would most likely result.

Herring Pack

British Columbia's canned herring pack, on the way towards a record season, did not begin with the war, but it has certainly matured by reason of that added stimulus. The pack is of increasing importance, because here British Columbia is making use of a food-fish which once was treated for its bone meal and will more widely as bait for other fisheries. In the herring itself, however, British Columbia has found the making of a first class addition to its total fisheries.

Herring will still be used for bait and in some quantities, but the day when the herring runs were used principally to feed reduction plants, with a low-value output, is probably gone forever. As a food-fish, and one recognized by the world for countless generations, the herring is coming into its own on this coast. The value of the annual pack has risen each year in British Columbia, and in their cans British Columbia herring have already gone to many destinations in the world. In the process, a low value product has been turned into a high value one, with corresponding returns to this province.

Producing approxmately half of all the fish taken in Canada, British Columbia has still much to learn about her own diversified sea products. The art of curing, established in older lands for centuries, is still in its early stages here. There are opportunities with fresh fish, with packaged fish and with quick-freezing that have only been indicated as yet. One day they will be used to the full. Meanwhile, it is something to see a minor catch become a major one, with every sign of healthy progress in the future. The herring canning division of the industry has done that.

Sir Arthur Tedder

Marshal, of the Royal Air Force, Sir Arthur Tedder is reported to be making a hit in the United States, where his informality has assured him a warm welcome. No brass hat, he avoids whenever possible the pomp and circumstance to which his position entitles him. This characteristic was widely noted during his periods of command in the Western Africa, when he was usually seen without any badges of rank about his person.

Of all the leading figures of the Allied high command, Sir Arthur Tedder has probably received the least public mention. Only in official circles have his unique abilities been fully appreciated, his brilliance as an airman and strategist being early recognized in Allied councils. It was his demonstrated mastery of air and ground co-ordination in North Africa that made his selection as Deputy Supreme Allied Commander for the invasion of France almost automatic. Sitting at the right hand of General Eisenhower throughout the European campaign, he was a vital force in the conduct of the operations that brought about the defeat of Germany.

At the beginning of the New Year, Air Marshal Tedder will assume the position of Chief of the Air Staff of Great Britain, the highest post in his profession within the gift of his country. Meantime, at the invitation of General H. H. Arnold, head of the American air forces, he is in the United States renewing acquaintance with the colleagues with whom he worked in a wartime co-operation that set an enviable pattern for the paths of peace.

Seen in Passing

There is pathos in the accidental death of men who had survived the hazards of war. When it occurs in the course of a mission of mercy, as in the instance of the five Canadian airmen killed while flying medical supplies to aid the people of Warsaw, fate seems ironic. There will be sincere sympathy with the relatives of these unfortunate airmen, bound on such a praiseworthy mission.

It should not need the assurance of Rudolph Hess that he is "fit for trial" to make certain his appearance in court along with his fellow Nazis in the Nuernburg trials. Loss of past memory does not prevent him following present proceedings, and should not be accepted as an excuse to avoid the penalties of his misdeeds. Let him take his ill-earned place in the line-up of Nazi war criminals.

One of our aldermen, mindful of his civic duty to uphold Victoria at all costs, told visiting dignitaries from the East on Wednesday that the snow that day was specially imported to make them feel at home. If he was stretching a point slightly, it was only to emphasize this city's habit of catering to its visitors to the extent of supplying amenities to which they are accustomed.

My Soul Delights

My soul delights in lovely things
The sight of beauty often brings
A stab of joy to my heart's core.
Wet pebbles glistening on the shore
Cool stippled sunlight on the sea
Answers some hungry need in me

My heart is comforted and healed
Of little woes, when in a field
White daisies raise their lovely faces
To shine above these common places
Or ragged larkspur, faintly blue,
Nods by the garden fence to you.

My spirit kneels before the shrine
Of pink and purple columbine,
Of trellised roses, heliotrope
Climbing the garden's gentle slope.
A monument to Love it stands,
A temple fair, not made with hands.

—EDNA JAQUES.

From "Dreams In Your Heart."

Nature admits no lie.—CARLYLE.

Mission Founder

Frank M. Kelley

It must be indeed gratifying to live a full life and at the same time be privileged to see before its allotted span is run tangible evidence that your earthly journey has benefited some other wayfarers. Not many have the urge to devote their lives to the folk of outlying districts; but it is certainly good for the world in general that there are some rare spirits at hand occasionally willing and eager to make the going a bit smoother for their fellow travelers. Such a one is Rev. John Antle.

The Skipper-Missioner had a birthday a few days since, and is now in his eighty-first year. Old-timers and friends from up-coast districts helped celebrate the occasion at St. Michael's Hospital, Rock Bay, scene of John Antle's earliest efforts to establish hospital and medical services for the benefit of men engaged in the then precarious and hazardous logging industry, and congratulated one who has lived to see the dream of a grand idea unfold and come true. In that he has been greatly favored. Of course, he was and is largely responsible for bringing to fruition a dream which has meant, and will continue to mean, more than the average British Columbian may realize to many whose ways are cast along the manifold waterways of our provincial coastline.

The Columbia Coast Mission represents the main life work of Rev. John Antle; and it was his determination that made it the force for good it has been and now is within a 20,000-square-mile area of sea and land between Sechelt and Cape Scott. It is a big parish, served neighborly, medically and spiritually through regular boat visits to lighthouses and isolated settlers, hospitals at several points and shore chapels.

PIONEERED FROM SMALL BOAT

All this has been accomplished since the day in 1904 when Skipper Antle set out in a small open boat from Vancouver to get first-hand information about conditions under which settlers, lighthouse-keepers, loggers and fishermen were living. Yes he knew how to handle his wee boat, even in the turbulent waters of the British Columbia coast, for he is a native of Newfoundland, where boat-handling is part of a lad's education. He was, when he conceived the idea, in charge of a Church of England chapel in Fairview.

The writer remembers very well some of the preparations John Antle made for starting the Mission and heard something of the hopes that occupied his thoughts for some time before he actually set out on his splendid venture. We sailed together a bit; and when his little boat was completed he kept it for a time on the Vancouver Yacht Club float in Coal Harbor. It was well built and stout enough for a Newfoundlander, who doesn't have to be warned about what waves can do to a small craft. It boasted a little sail, too; but the main propulsion unit were two ash oars.

Although the "Laverock" was the pride of John Antle's pre-Columbia Mission days, the writer recalls borrowing the pioneer Mission boat during the Fall of 1904 and in company with an ardent disciple of Izaak Walton setting out to spend a week-end trout fishing on the Brunette River and possibly exploring some of the streams entering into the North Arm as far as Indian River. The weather was chilly and there wasn't much comfort camping in the boat, which we left at Moodyville while we hiked several miles to the Brunette, where the fish proved anything but sociable. It didn't take us long to discover we hadn't the right bait and lacked fishing finesse, and we were soon back on the "Laverock" headed for Indian River, where we found loggers running shingle-bolts with the stream, which meant no fish.

Remembering that outing on the "Laverock" in quiet waters, it is easy to understand John Antle must have submitted himself to many uncomfortable experiences before he achieved his first great desire, the "Columbia I" in 1905. It had some real accommodation, and with Medical Missionary Dr. Hutton aboard, the two were to achieve an enviable reputation for doing good until Hutton lost his life when the tug Chehalis was rammed by the Ss. Princess Victoria in Vancouver Narrows. Antle and Hutton made a grand pair laboring together.

WON SUPPORT OF LOGGERS

John Antle triumphed over many difficulties. It was no easy matter going among the logging camps particularly. There he had to counteract the widespread trade in liquor and the traffic carried on by the squawmen. The loggers were not in favor of his presence; but he gradually convinced the operators of his sincerity, and these became his strongest supporters, enabling him to establish his hospitals and assisting in maintaining the Mission ships which have long been noted for their emergency equipment and errands of mercy.

The lot of the British Columbia coast logger has changed much since the little "Laverock" spread its single canvas wing and sought the outer places in 1904, and much of the improvement can be credited to John Antle, her Master-Missionary. Needless to state, the Columbia Coast Mission is, and will continue to be, a great monument to its founder, John Antle, who had a vision and lived to see it materialize.

HELL'S ANGELS

Russia Puts German Scientists to Work

By FRANK E. MASON
North American Newspaper Alliance

NEW YORK, Nov. 9.—American technicians working with the army in Europe, and still working over the mysteries of German scientific war secrets, express curiosity as to why, with all the propaganda being directed at our revealing the secrets of atomic energy, no one in authority suggests to the Russians that they themselves have set the pattern for secrecy by their unilateral handling of German was secrets.

Russia may have enough technical information, through captured German scientists, said now to be hard at work in Russian laboratories, to begin to plan atomic energy exploitation within three to six months. This is the prediction of a conservative American physicist attached to one of the numerous scientific intelligence enterprises with the forces in Europe.

Technicians, who combed the war research laboratories of the part of Germany taken by our army, have for several months foreseen the truth of the recent assurances of Foreign Commissar Molotov that Russia "will have atomic energy and many other things, too." That is, the American technicians agree, on one condition—the successful negotiation by Russia of her requested $6,000,000,000 loan in the United States to purchase American machinery necessary to exploit the new German scientific developments.

In her occupation of Germany, Russia gave a high priority to the capture of German engineers and scientists. On the whole they have been the most favored class of Germans. Theey are generally handled in a friendly manner, and treated better than the large number of German Communists who have mysteriously appeared in a country in which most Communists were supposed to have died in concentration camps.

Typical is the case of a young Berlin laboratory assistant who, during the war, worked on improving fuels for jet planes and rocket bombs. The Russians told him that if he remained in Germany he would be reduced to manual labor rebuilding Berlin. Theey quoted Allied de-industrialization plans, and said that British and American capitalists were determined to destroy all German research and industry to eliminate their competition in the world markets.

The laboratory assistant volunteered to go to Moscow. His parents in Berlin say they receive letters from him regularly. He is again in a laboratory and happy. The Russians treat him with great respect. He is on the same ration and housing basis as his Russian colleagues whom he is training.

In tracking down German scientists, the Russian Army has not hesitated to send officers into the American zone. Russia made a formal claim on the British and Americans for the return of research men who were former residents of the Russian zone.

When the American Army was withdrawn to its present line, the Russians advancing into the Hartz Mountains took over from the Americans a mine shaft near Bleicheroede containing V-bomb laboratory equipment and some records. Along with this material, they acquired a German scientist named Rosenplanter. Emissaries from Dr. Rosenplanter have been seeking out scientists in the American zone and attempting to recruit them for the new German-manned laboratories in Russia.

American scientists combing Europe are highly critical of the general American attitude, saying it is far too smug and self-satisfied since the announcement of the atomic bomb. There is a curious parallel between the scientists' complaints and Commissar Molotov's warning, that the discovery of atomic energy should not encourage an attitude of complacency.

There has been no evidence of complacency on the part of the Russians. One technician declared that we are devoting ourselves to a post-mortem on German war-weapon science—as something dead and buried—whereas the Russians are putting an oxygen tent over it and trying to keep it alive to transplant it into their own country.

Such criticism of American apathy is not entirely fair. We have already flown a small number of German scientists to the United States to continue their experiments, and more are coming. There has been considerable dickering about the scientists' families, which the United States authorities have left in Germany.

In response to complaints that the scientists were being assembled and housed under deplorable conditions at a village within three miles of the Russian zone frontier, this correspondent visited the concentration point and found more than 100 research men and 250 of their dependents living in what might be described as squalor. They were particularly fearful of being kidnapped by the Russian soldiers who frequently crossed the border into our zone after dark. This situation has since been largely corrected.

Much better security precautions were being observed at the V-2 bomb experiment station visited at Cuxhaven in the British zone.

Most of these scientists, taken by the Americans and British, were working on projects of secondary importance compared with the atomic bomb research which centered in the Kaiser Wilhelm Institute in Berlin. All these scientists, survivors of Allied bombing, fell into the hands of the Russians.

EDUCATIONAL FILMS

Two National Film Council sound pictures, one featuring educational work by radio among British children, and the other traveling library operation in the Okanagan district, will be shown on Wednesday at 8 p.m. at a meeting of Victoria branch, Canadian Authors' Association, to be held at 301 Union Building. James Morton will give an address on Charles Dickens, and Mrs. Doris Ferne will review "Sandstone," by Anne Marriott.

CABELDU TO SPEAK

Brig. F. N. Cabeldu, D.S.O. and Bar, will address a meeting of the United Services Institution of Vancouver Island, to be held on Monday at 8 p.m. in the Army and Navy Veterans' auditorium. All returned officers of the three armed services will be welcome.

FREIGHTER IN DRYDOCK

Ss. Mewata Park, a 10,000-ton freighter, will enter drydock here today. She will proceed to Vancouver tomorrow.

TWENTY-FIVE YEARS AGO

From The Daily Colonist of November 10, 1920

Parcel Post—Arrangements have been made whereby parcels may be forwarded direct to the Argentine Republic in addition to the present service via the United Kingdom. The rate of postage will be 12 cents for each pound, 11 pounds being the limit.

FIFTY YEARS AGO

From The Daily Colonist of November 10, 1895

The City.—The civil service examination was concluded yesterday. Dr. Campbell, who presided during the week, said the papers were very fair and tested the knowledge of the candidates much better than those of last year.

SEVENTY-FIVE YEARS AGO

From The Daily British Colonist of November 10, 1870

Treasure Shipments.—Shipments of treasure by Ss. Pelican yesterday morning, through Wells Fargo & Company Express, were as follows: Bank of British Columbia, $47,072; Bank of British North America, $29,750; Wells Fargo & Company, $78,730.

Observation Car

By G.B.

Many persons have discovered that when they lean too heavily on luck, it gives way . . . Armistice Day is to be observed throughout the British Isles on Sunday. According to a proclamation by the King, it will commemorate the end of the Great War and the World War. In British Columbia, Monday will be observed as Remembrance Day. . . . ruled that Federal civil servants must work and banks must stay open on that day . . . Boy Scouts of America, in a two-month drive for waste paper, collected 320,000 tons. The quota was 150,000 tons. The drive was named General Eisenhower Campaign, and each scout who collected 1,000 pounds or more of paper was awarded a medallion bearing a likeness of the general. More than 20,000 scouts earned the award . . . From the sports department: "A diplomat is a man who can convince his wife that she would look fat in a fur coat" . . . The Russian advance through Mongolia averaged 100 miles per day. Russian officers arranged for confidential documents to fall into the hands of Japanese intelligence officers. They purported to show the invasion of Manchuria would take place on October 1. When Russian armored forces started rolling during the first week in August, the Japanese Kwantung Army was totally unprepared . . . British Intelligence officers unearthed secret orders given by Admiral Doenitz to high German officers and Nazi leaders on the day Germany surrendered. They stated: "We have been set back 1,000 years. Land that has been German for 1,000 years has fallen into Russian hands. We must work with the Western Powers in the occupied territories, for it is only by working through them that we can have hopes later of retrieving our land from the Russians. Our fight can be viewed with pride and glory. We have nothing to be ashamed of. There are no spots on our honor. Our people are unlike the Germany of 1918—they have not been split asunder."

Letters to the Editor

except over the proper signature and No letter to the editor will be inserted address of the writer. This rule admits of no exception. No letter should exceed 200 words in length. Unsolicited correspondence cannot be returned.

REMEMBRANCE POPPIES

Sir,—May this letter be inserted in your paper? It is to the parents of school children in Esquimalt, as follows:

"Perhaps you have wondered why your children did not receive their poppies for the annual Remembrance Day. The reason is that we were prohibited by your School Board to distribute them through the class-rooms as we have done in all other schools. We regret this stand taken by your school board, and hope that it will be rectified before next year."

JOSEPH E. DOWNEY,
Campaign Manager,
1220 Government Street, Victoria, B.C., November 9, 1945.

Additional Letters on Page 8

Paper became available to the Western World in the eighth century and the Chinese are credited with using it 1,000 years before that.

A great many people are using The Canada Trust Company's Agency Management Service for their property and investments. There is no formal trust created. Clients simply instruct us by letter, keeping as much control in their own hands as they wish. The agreement can be terminated on an hour's notice.

Clients have the benefit of our full-time, highly developed investment supervision, receive regular statements and are free from worry. If desired, we pay income from accounts at regular intervals throughout the year.

We will be glad to quote a fee which will be very reasonable. Savings effected by our specialized management often exceed the fee.

Housing and Penal Reform Now Before House of Commons

OTTAWA, Nov. 9 (CP).—By a vote of 97-28, the Commons tonight gave second reading to a bill to create a $25,000,000 Government corporation to administer the National Housing Act and provide discount facilities for loan and mortgage companies.

The vote caught the Progressive Conservative party, which voted with the Government, with only 17 members in the House compared with approximately 50 on the Government side.

John Bracken, Progressive Conservative leader, said after the division he was paired with Prime Minister Mackenzie King and had he voted he would have voted "very reluctantly" for the bill.

The C.C.F. voted with the social Credit group and M. J. Coldwell, C.C.F. leader, explained later that his party had opposed the bill because it felt the legislation did not go far enough to ease the housing situation.

In concluding the debate, Finance Minister Ilsley said the time may come when the Government would have to "seriously" consider "very large subsidies or small subsidies" for home-building, but he did not think that action was needed now.

NOW BUILDING ALL POSSIBLE HOUSES

"I know we are building now, whether it is credit unions or private individuals or persons who are availing themselves of the provisions of the National Housing Act, just as many houses as the supply of materials and labor will permit to be built. No amount of financial assistance or loaning in favor of one class instead of another class of building is going to result in any more shelter.

"I think that while that condition obtains we should keep out of the subsidy field."

Specifically, the bill would create a central loan and mortgage corporation to act on behalf of the Finance Minister in administering the Act and to provide discounting facilities for loan and mortgage companies interested in housing. The housing debate was preceded by an attempt by John Bracken, Progressive Conservative leader, to have study of correspondence between the Commodity Stabilization Corporation and the Prices Board enforcement division referred to the Public Accounts Committee. His request was ruled out of order.

The House gave first reading to a bill to implement recommendations of a pre-war Royal Commission which investigated the penal system and suggested appointment of a three-man commission to administer penitentiaries. The commission would be appointed for a 10-year term.

War Criminals Ask More Time

NUERNBERG, Germany, Nov. 9 (Reuters).—Joachim Ribbentrop, former German Foreign Minister, is expected largely to conduct his own defence at the trial of 22 leading Nazi war criminals, opening here November 20. He already has spent many weeks preparing his case.

Most of the accused have chosen their counsel from a list of 200 eligible lawyers offered them. But William Frick, former protector of Bohemia and Moravia, Alfred Rosenberg, former minister for Eastern territories and minister for refugees, and Arthur Seyss-Inquart, former German commissioner for The Netherlands, have not yet done so.

Rudolf Hess, Hitler's deputy, who flew to Britain in 1941, is to be given a full-scale mental examination before the trial.

Counsel for two of the accused have asked for postonement of the trial. Stating he had insufficient time to prepare the case, counsel for Julius Streicher, chief Nazi Jew-baiter and gauleiter of Franconia, requested a postponement of "three or four weeks" for his client.

Postponement was also requested by counsel for Arms Magnate Krupp von Bohlen Und Halbach, in hospital at Salzberg.

Civil Defence Meeting

W. C. Mainwaring, chairman of the advisory council, Provincial Civilian Protection Committee, was guest speaker at Colwood Hall last night when the Colwood Civil Defence unit was formally disbanded.

He expressed the wish that first aid and fire fighting units continue to function in the area, and the whole meeting commended Harold Bickerdike, Metchosin, for his work in building two fire trucks.

Mr. Mainwaring presented Civil Defence certificates to the following district leaders, who will present them in turn to their subordinates at later meetings: E. H. Emery, Colwood and Luxton; A. F. Bayles, Langford; Harold Walker, Metchosin; Miss Jean Ross and A. M. McKay, View Royal; George Ingledew, Craigflower; A. J. Mendum, Bamberton, and E. T. Anfield and H. F. LeQuesne, auxiliary police.

NOT IN CITY CONTEST

Alderman Dr. J. D. Hunter stated yesterday that he had no intention of contesting the mayoralty in December. During past weeks there have been rumors that Dr. Hunter would be a candidate, although his term on the City Council still has a year to run.

News of the Forces

Servicemen and Veterans

Home From Europe

MAJOR R. C. FARROW

Who returned to Victoria recently after spending five and one-half years overseas with the R.C.A. He will resume his former position of chief hydraulic engineer of the water rights branch, Department of Lands.

He is a veteran of the Great War, having served with the Canadian Field Artillery and Royal Flying Corps. Major Farrow went overseas in 1940 with the 1st Survey Regiment, R.C.A. He then trained the 1st Calibration Troop, R.C.A., and was second in command of the 2nd Survey Regiment in Northwest Europe. Later he was second in command of the 2nd Light Anti-Aircraft Regiment and the 1st Medium Regiment, and brought the 3rd Medium Battery, R.C.A., back to Kingston, Ont.

Major Farrow and his wife will make their home at "McKenzie Farm," Douglas Street, Saanich. A daughter was married recently in Montreal.

To Entertain Men

Victorians will probably have their last opportunity on Sunday to entertain British repatriates stationed here. At least 20 cars for drives, and many offers for home hospitality will be needed, Alderman W. H. Davies, chairman of the entertainment committee, said yesterday.

Alderman Davies was requested by Canadian Legion representatives at the Gordon Head Camp to arrange the entertainment. Volunteers should telephone the Legion office at G 6124, or Alderman Davies at E 4736 or E 7441.

Poppy Day in City

Today will be observed as Poppy Day, and to the thousands who wish to wear or display them in remembrance of those who sacrificed their lives, and to assist needy veterans who survived the war, a corps of taggers will sell individual poppies, corsages and windshield displays for automobiles.

The campaign has been organized by the Remembrance Day Committee, made up of Greater Victoria servicemen and women, with headquarters at 1220 Government Street. It will be open from 7:30 a.m. to 6 p.m. today. Anyone willing to help will be welcomed, according to Joseph Downey, who is in charge of arrangements.

Many more of the poppies have been made this year than previously by disabled veterans in the Red Cross Workshop on Johnson Street.

City Hall Employees

Norman Kennedy, foreman of the city blacksmith's shop, and James Stothard, manager of the Aged Men's Home, were introduced as new members at the regular meeting of the City Hall Employees' Association, held last night in the City Hall.

Philip Jeffrey reported on his attendance at a Canadian-Soviet friendship meeting at Memorial Hall on October 16.

Named to the nominating committee were T. Harris, Miss Margaret Andrews, Mr. Kennedy, Ernest Bridges and Kenneth Reid. Mr. Jeffrey, Mr. Harris, Mr. Stothard, H. Essler, Miss Andrews, and Mrs. Mary Andrews were asked to arrange the annual Christmas dinner under the chairmanship of Stanley James.

At the Theatres

ATLAS THEATRE The contrast in two acts of Paramount's "The Affairs of Susan," is quite remarkable as will be noted by audiences who see the picture which ends tonight at the Atlas Theatre. One locale is the rock-bound coast of Rhode Island which fades to a luxurious New York apartment. In both spots, George Brent and Joan Fontaine, co-stars of the picture, carry on romances of a light, giddy and completely humorous nature.

CADET THEATRE Jack Carson has his hands full as Jane Wyman's long-suffering husband in the Warner Bros.' hilarious hit, "The Doughgirls," which ends tonight at the Cadet Theatre. Also starred are Ann Sheridan, Alexis Smith, Eve Arden and Charlie Ruggles.

CAPITOL THEATRE One of the best specialty acts in the Betty Hutton starrer, "Incendiary Blonde," ending tonight at the Capitol Theatre, is preformed by that boogie-woogie sensation, Maurice Rocco. He syncopates on the piano with flawless technique. As a matter of fact, in the picture, Betty decides that the former waiter ought to stop waiting and keep on harmonizing. And that's just what Maurice does!

DOMINION THEATRE Against the background of the scenic West, Republic has filmed the fast-moving action-filled "Man From Oklahoma," starring Roy Rogers, the "King of the Cowboys," which is now showing at the Dominion Theatre. Rogers rides his beautiful palomino horse, Trigger, sings and plays his guitar, with the breezy charm which has made him the top cowboy star of the nation.

RIO THEATRE Latest in a series of thrill-packed action dramas dealing with submarine warfare is Columbia's "U-Boat Prisoner" which is now showing at the Rio Theatre. The story of this action yarn was written by Archie Gibbs, an American merchant seaman who was captured by the Nazis when his own ship was sunk. Lew Landers directed for producer Wallace MacDonald.

YORK THEATRE Jack Carson, currently co-starring with Rosalind Russell in Warners' "Roughly Speaking" which ends tonight at the York Theatre, is the oaf who always loses the girl. You've seen him in action countless times. At cocktail bars, in open cars, or on the front porch swing. Jack always manages to be around to congradulate, but never to win, the luscious bride. Now, at last, he gets a chance to hold her tenderly at the fade-out.

PLAZA THEATRE Deborah Kerr has the unique distinction of being cast in three romantic roles in the stirring Technicolor film, "Colonel Blimp," which ends tonight at the Plaza Theatre. She enacts the three loves in the life of Roger Livesey (who plays the title role), first as an English governess in Berlin in 1902, then as a society girl in 1918, and later an English army chauffeur in 1942.

Amusements

ON THE STAGE

Royal—"Blossom Time."

ON THE SCREEN

Atlas—George Brent and Joan Fontaine in "The Affairs of Susan."

Cadet—"The Doughgirls," starring Ann Sheridan and Jack Carson.

Capitol—Betty Hutton and Arturo de Cordova in "Incendiary Blonde."

Dominion—"Man From Oklahoma," starring Roy Rogers.

Oak Bay—"Intermezzo," starring Ingrid Bergman and Leslie Howard.

Plaza—"Colonel Blimp," starring Anton Walbrook and Deborah Kerr.

Rio — "U-Boat Prisoner," starring Erik Rolf and Bruce Bennett.

York—Rosalind Russell and Jack Carson in "Roughly Speaking."

BIG TUNGSTEN PRODUCER

Bolivia ranks second to the United States in the production of tungsten in the Western Hemisphere.

CJVI NEWS

The first thing we'd like to remind you of—the British Band Concert, sponsored by the National Motors Limited and usually heard at 8 p.m., has been moved back one hour and will be heard from now on at 8 p.m. This has been done to clear time for the base-ball broadcast at 9 p.m. High school students will take over CJVI again this morning with an added feature. The students will conduct a man-on-the-street quiz in front of the Central Building at 11:15 a.m. under the sponsorship of Stevenson's Chocolate Shop. And a tip to those who want their requests to be broadcast, for the Musical Merry-Go-Round at 1:30 p.m., the Black and White Dancing Party at 11 p.m. and the Three-Star Revue at 12 midnight—mail or phone your requests EARLY. Joe Chap. 6, "Daredevils of the West" and "Heavenly Days"

A "guinea pig" is not a pig, nor does it hail from Guinea. The pudgy little chap is really a rodent, and no relation to the porker. And he is a native of South America—guinea being perhaps a corruption of Guiana.

PUBLIC DANCE EVERY FRIDAY CRYSTAL GARDEN LOWER BALLROOM

Mrs. P. E. George Opens Bazaar

Mrs. P. E. George opened the Fall bazaar, held by Oaklands P.-T.A. in the school auditorium, Friday afternoon. The sum of $216 was realized.

Mayor and Mrs. George attended. Mrs. R. H. McInnes, wife of the school principal, presented Mrs. George with a corsage, in the absence of the president of the Oaklands P.-T.A., Mrs. S. Anfield. Other guests included Mrs. Harold Campbell, Mr. and Mrs. J. S. K. English, Mr. and Mrs. Frank Mummer, Miss Isla Tuck, Mrs. A. O. E. Boothe, Mrs. Ernest Evans, Mrs. W. R. Roskelley and all members of the staff of Oaklands School.

Mrs. McInnes presided at the tea table, which was covered with a lace cloth, and centred with yellow button chrysanthemums. Mrs. James Alexander and Mrs. Glen Merriman were joint conveners, and Mrs. J. J. Tanner was tea convener.

Stall conveners included: Aprons, Mrs. T. J. Inkpen; toys and novelties, Mrs. M. Crossman; plants, flowers and vegetables, Mrs. L. A. Gordon; white elephant, Mrs. G. O. Hughes; bran dip, Mrs. Al Sabiston; home cooking, Mrs. C. Dodgshon; tea tickets, Mrs. A. W. Walsh; membership table, Mrs. S. Mars, and literature table, Mrs. I. R. Champion.

Mrs. H. I. Dawson showed films to the children. Proceeds will be used for the school.

She'll Cross the Pacific Alone in Small Vessel

Although hundreds of adventurous young men have begged to accompany her, winsome and daring Antonio Jones, skipper of the 30-foot ketch Audacious, plans to sail her craft from Hawaii to San Francisco alone. Antonio has a long vacation coming and she expects to complete the voyage in from 20 to 30 days. At left above is the Audacious and her skipper, in Honolulu. At right, a close-up of Captain Jones.

Social and Personal

Major and Mrs. J. D. Newberry, of Vancouver, are spending a few days in Victoria, guests at the Empress Hotel.

* * *

Holidaying from New York and staying at the Empress Hotel are Miss J. Naibit and Miss Margaret Hester.

* * *

Mr. and Mrs. Harty Morden have returned to Victoria from their Summer home at "Rockville," Shawnigan Lake. They will spend the Winter months at their home on Belleville Street.

* * *

Among the visitors to Victoria registered at the Empress Hotel are Miss Lay and Miss Anne Lay, Mr. and Mrs. H. K. Norton, and Mr. and Mrs. W. Andersen, of New York.

* * *

Company Staff Major Doris Hooper, C.W.A.C., of Vancouver, will spend a holiday with her parents, Mr. and Mrs. H. P. Hooper, 2390 Cranmore Road, this week-end.

* * *

Guests at the Empress Hotel this week include Mr. and Mrs. E. Wardrope, Winnipeg; Mr. and Mrs. R. P. Finley, Halifax; Mr. and Mrs. Charles Groves, Quebec; Mrs. R. Hammond, Penticton; and Miss R. Gillette.

* * *

Miss Jean Macdonald, who has been with U.S.A. Headquarters Administrative Staff at Prince Rupert for the past 18 months, returned Friday to her home "Duntulm," Sidney. Miss Macdonald is the daughter of Major and Mrs. A. D. Macdonald.

* * *

Visiting Victoria from Vancouver are Mrs. Charles MacKenzie, Mr. and Mrs. E. G. Adams, Mr. and Mrs. R. Black, Mr. and Mrs. G. Rickard, Mr. and Mrs. E. R. Johnston, Mr. and Mrs. W. B. Slade, Mr. and Mrs. N. L. Hill, Mr. and Mrs. G. M. Stewart. They are guests at the Empress Hotel.

* * *

Mrs. T. A. Simmons, retiring secretary-treasurer of the Victoria Ladies' Lawn Bowling Club, was honored recently when fellow members of the club gathered at the home of Mrs. J. A. Birnie, 2596 Empire Street. Honorary president, Mrs. M. G. Bullock, presented Mrs. Simmons with a corsage, and Miss D. Dodson, retiring president, gave the honored guest a leather handbag. Mrs. A. Jeffrey played several piano selections, and tea and refreshments were served by the hostess.

* * *

Out of town guests attending the Harris-Woodburn nuptials last evening were Mrs. M. A. Craig, Colonel and Mrs. K. A. McLennan, aunt and cousins of the bride; Mrs. L. Brewster, Sqdrn. Ldr. and Mrs. Donald A. Brewster, aunt and cousins of the bride, all from Vancouver; Mr. and Mrs. Gardiner Gwinn, Mr. and Mrs. Raymond Maxwell, Mrs. S. Verge, aunt of the bride, Mrs. Ebeth Rudnicki, Mr. and Mrs. Mitchell Sutherland, Mrs. Frank Rees, aunt of the bride, Captain and Mrs. William Terhune, all from Seattle.

Weddings

HARRIS—WOODBURN

The marriage of Hazel Joyce, younger daughter of Mr. and Mrs. Fearon Woodburn, 1518 Pell Street, to Flight Lieut. Albert Stickney Harris, a veteran of three and a half years' service with the R.C.A.F. in Burma and India, younger son of Mr. and Mrs. Fraser Harris, Newcastle, N.B., was solemnized last evening at First United Church, with Rev. Dr. Hugh A. McLeod officiating.

The bride, given away by her father, was a picture in her gown of blush ivory satin, fashioned with yoke of lace and lace insets in the long sleeves, a pointed flounce accentuating the hemline of the full skirt. Her veil of beautiful old Brussels lace, loaned by her aunt, Mrs. P. Rees, Seattle, was held by a Juliet cap of brilliants. A white Bible topped by gardenias showered with white rosebuds, and a strand of pearls belonging to her grandmother, completed the bride's charming ensemble.

Miss Darlaine Woodburn sister of the bride, was maid of honor in blue satin, and Mrs. E. Nutbrown, Miss Bernice Flude and Miss Virginia de Castro dressed alike in peach satin, were the bride's attendants. They wore Juliet caps and mitts en suite and carried flower-muffs.

Flying Officer George Keeper, D.F.C., was best man, and ushering were Mr. Daryl Woodburn, brother, and Mr. Dallas Woodburn, cousin of the bride, and Mr. George Winter.

Following the ceremony a reception was held at the Douglas Hotel.

For a honeymoon in Seattle and Vancouver, the bride wore a watermelon-red suit with muskrat coat, the gift of the groom, and black accessories.

Red Cross Notes

Annual meeting of Lake Hill Red Cross will be held Tuesday next at 2:30 p.m. Members requested to attend as unit will disband after this meeting.

Columba Unit of the Red Cross Society will meet at the home of Miss W. Seymour, Belgrave Road, on Wednesday at 2 p.m., when final arrangements will be made for the Christmas tea and sale to take place in Strawberry Vale Hall on December 5.

Classes in home nursing will be held at the old Oak Bay High School, by the Oak Bay Unit, commencing on Monday, November 26, at 2:30 p.m. The class will be of 12 weeks duration, and instruction will be given by graduate nurses. Registrations may be made at the Oak Bay Red Cross Work Rooms, on Tuesday and Wednesday mornings, from 10 to 12; and Friday afternoons from 2 to 4; at Red Cross Headquarters, 1006 Government Street, or by telephoning G 1552.

Choir and Orchestra To Be Heard Soon

First United Church Choir will present the annual choral and orchestral recital in the church on Monday, November 26, at 8:15 p.m.

Guest artist for this occasion will be John Beadell, the celebrated Canadian tenor, who will soon tour Canada. His selections will include favorite oratorio solos. The church choir, under the baton of Melvin Knudsen, will sing two groups, including the work of Melius Christiansen, director of the famous St. Olaf Choir.

Victoria Junior Symphony, also directed by Mr. Knudsen, will be heard in well contrasted numbers. Mr. J. Ingram Smith will preside at the organ, and Mrs. Dorothy Gough, A.T.C.M., at the piano.

This recital will be jointly sponsored by the choir and the Women's Association.

In Paris Parade

Mr. and Mrs. John Grant, 2204 Cook Street, learned by telegram yesterday that their daughter, Lillian Grant, pipe major of the C.W.A.C. band, participated in a huge parade in Paris. Sending greetings to the band, the Canadian Ambassador in Paris said the 250,000 persons watched the parade. Miss Grant spoke over the radio to Canada, but her parents did not hear the broadcast.

Stagettes to Hold Mid-Winter Frolic

The Stagettes will sponsor a Mid-Winter Frolic at the Crystal Garden on Thursday, November 29, when Miss Pearl Foubister will be convener. Proceeds of the annual event will go toward charity work.

This active group of young girls now under the presidency of Miss Loula Metro has started a membership drive and welcomes any young girl interested in charity and club work.

P.-T. Associations

Esquimalt P.-T.A. will hear Mrs. H. A. Beckwith, president of the Lower Vancouver Island School Trustees Association, in an address on "Playground Activities," illustrated with a film of the Oak Bay Summer Playground, on Tuesday evening. Mr. Alex Hutchinson, vice-principal of Lampson Street School, will also speak.

Margaret Jenkins P.-T.A. bazaar and tea was opened by Mrs. W. Hurst, secretary Victoria and District P.-T.A. Council. Co-conveners were Mrs. G. W. Pottinger and Mrs. C. W. Quest. At the guest table were Mr. and Mrs. F. G. Mulliner, Mr. and Mrs. W. H. Muncy, Mrs. A. Unwin, president, and Mrs. Quest. Those in charge of stalls were Mrs. G. Clark, Mrs. C. B. Conway, Mrs. E. Kerr, Mrs. F. W. Briers, Mrs. A. F. Davidson, Mrs. W. Logie, Mrs. E. C. Peters, Mrs. J. R. Nicolson, Mrs. T. W. Gray, Mrs. H. Gilliland, Mr. Muncy, Mr. Patterson and Mrs. W. J. Lineham.

Quadra P.-T.A. will meet Tuesday at 8 p.m. Mrs. W. W. McGill will speak on "Pre-Primary Schools."

Victoria West P.-T.A. heard an interesting address by Dr. Henrietta Anderson at a recent meeting, held in the school. The bazaar will be held December 5.

Plan Bridge Tea

Final arrangements were made for the bridge tea Wednesday afternoon at the Y.W.C.A., at the meeting of Navy League Chapter Thursday at headquarters. The bridge is being convened by Mrs. A. McGavin and Mrs. W. W. Carter is tea convener.

Arrangements were made to send Christmas parcels to pupils of the chapter's adopted school in the Peace River. It was also decided to send 38 calendars to lighthouses on the West Coast and 27 to schools.

The sum of $75 was voted to secondary education; $5 to Mary Croft Memorial and $2.50 to the Isolated Families Fund.

Goods to the value of $9.44 were turned into the Municipal Chapter and 20 personal property bags were packed to be sent to civilian women in Britain and ten to children, valued at $55.58.

Plans were made for a Christmas party for the James Bay Brownie pack.

Women's Institutes

Brentwood W.I. will meet in the Hall on Tuesday, at 2:30 p.m. Annual bazaar will be held November 24.

Mrs. Nancy Hodges, M.L.A., will open the Victory Bazaar of the Royal Oak Women's Institute at 2:30 p.m. Thursday next, in the Institute Hall. The International theme will be carried out in the booth decorations, with the conveners in costume. Mrs. Gaskill is the general convener. Booths will be judged by Mrs. Maitwood. Games and contests have been arranged and tea will be served.

MARK 59TH ANNIVERSARY

Special services were held to mark the 59th anniversary of Centennial United Church, Sunday, November 4. On Monday evening, a turkey dinner was sponsored by the Ladies' Guild, when Mr. J. Bruce acted as chairman. A musical program followed with Miss Hilda Kirkby giving an organ recital and Mrs. M. Goodwin, Mrs. G. Farmer and Mr. J. Almond as guest soloists. Rev. Dr. W. J. Sipprell gave an interesting address.

May Wed Topping

Beautiful Kay Sutton, Hollywood film actress, whom it is rumored is to be the next bride of Dan Topping, millionaire playboy and sportsman, after his pending divorce from Sonja Henie, the skating star, becomes final. Miss Sutton was recently divorced from Cliff Weaver, Hawaiian sugar plantation owner.

Tangle Tea Nets $60

The sum of $60 was realized at the Wednesday afternoon Tangle Tea held in the parish hall by the Evening Branch of St. Saviour's W.A. Mrs. A. Spedding welcomed the guests. Presiding at the tea table was Mrs. G. Pocock, president of the afternoon branch. Assisting were Mrs. A. Roach, Mrs. G. White, Mrs. M. Crocker, Mrs. K. Stewart, and Mrs. E. Gillespy. Miss M. Harper told fortunes. Those in charge of stalls were Mrs. S. Barnsley, Mrs. K. Roach, Mrs. E. Lowery, Mrs. A. Wilson, Mrs. P. Hulford, Mrs. M. Anderson, Mrs. V. Shandley, Mrs. B. Smith, Mrs. D. Hughes, Mrs. E. Faulks, Mrs. D. Trainor and Mrs. R. Guthrie.

Y.P. Organizations

St. Mary's A.Y.P.A. met recently in the Parish Hall, with Dick Davenport presiding. May Smith and Dorothy Ellis reported on the recent conference. Four new members were initiated: Virginia Stretton, Eileen O'Keefe, Bob Bibbs and, Leonard McCann. Members will visit the Military Hospital, Wednesday.

O.E.S. Raises $300 For Charity Work

Approximately $300 was realized at the well-attended bazaar sponsored by the Queen City Chapter, Order of the Eastern Star, and held yesterday at the Y.W.C.A. Proceeds will be used for philanthropic work.

Mrs. Carolyn L. Kerr received the guests and Mrs. Doris L. Hopkins opened the event. Presiding at the lace-covered tea table were Mrs. J. Hichen-Smith, Mrs. B. Anderson, Mrs. M. Birnie, Mrs. M. Boulton, Mrs. M. Roberts and Mrs. J. Robert. Mauve and green were used in the decorations, with green candlesticks in the crystal candelabra and mauve chrysanthemums in crystal bulls.

Mrs. Fairnie Opens Nanaimo Bazaar

NANAIMO, Nov. 9—A large crowd attended the annual Christmas bazaar of Bastion Chapter, I.O.D.E., in the Eagles Hall Thursday afternoon. Mrs. C. O. Baker, regent, was general convener and the bazaar was officially opened by Mrs. J. Fairnie, vice-regent of the Provincial Chapter, Vancouver. Mrs. K. Asher, of the Provincial Chapter, also spoke. Pouring were Mrs. R. T. Wilson, Mrs. R. H. Plommer and Miss N. Smith.

Surprise Party Marks Wedding Anniversary

In celebration of the 23rd wedding anniversary of Mr. and Mrs. T. Appleby, a surprise party was held at their home, 505 Selkirk Avenue, Monday night. Guests were: Mr. and Mrs. T. Appleby, Miss June Appleby, Mrs. Duncan, Mr. and Mrs. F. O. Barker, Mr. and Mrs. J. S. Barker, Mr. and Mrs. McKay, Mrs. E. Orchin, Miss D. Orchin, Mrs. J. Frampton, Mr. and Mrs. H. Nuttall, Miss M. Nuttall, Miss I. Nuttall, Mr. and Mrs. C. Curtis, Mrs. Packenham, Miss D. Hutton, Mrs. K. Dugbleton, Mr. and Mrs. W. N. Edwards, Mr. and Mrs. A. Griffin, Mrs. MacKenzie, Miss G. Williams, Mr. D. MacFarlane, S. B. A. W. White, Mr. C. Helmerson. Also present were six repatriated men from Japan, Cpl. P. MacBride and Pte. J. MacGregor, of the Gordon Highlanders, Pte. F. McGhie and Pte. R. McGhie, of the Royal Artillery, Sgt. T. Sims, Reconnaissance Corps, D.o Dugay, Welsh Regiment. The company were entertained by Mr. F. O. Barker, Mr. J. S. Barker and Sgt. Sims with recitations, an exhibition of highland dancing by Cpl. P. MacBride and Mrs. Duncan. Mrs. Curtis played the accompaniments.

Royal Bride Chapter Entertains Repats

Royal Bride Chapter, I.O.D.E. met Thursday at the home of Miss Jean Conway with the Regent Miss Sylvia Petch presiding, and $75 was voted to secondary education. Mrs. G. Green was appointed representative to the International Drama Festival, and it was decided to place a wreath at the Cross of Sacrifice, Ross Bay Cemetery, on Remembrance Day. Plans for the bridge tea at the home of Mrs. Lennox Irving, 910 Fort Bay Road, on November 17, were completed. Miss Meg McMartin will convene, and proceeds will be given to the Jessie Burke Cancer Fund.

Recently members entertained the repatriates at the Military Hospital.

For Brides-Elect

Miss Lona Attfield, November bride-elect, was honored at a luncheon, Wednesday, given by Mrs. Reginald Cox at her home on Fort Street.

Santos, Brazil, is the leading coffee port of the world.

—until his mother did this!
● His meals were deficient in important food elements needed for health and appetite. He wouldn't eat, became thin, nervous and below par. Then his mother learned about Ovaltine which provided these necessary food elements in delicious form—soon his zest for meals returned—and look at him now!
As a "protecting" food-drink, Ovaltine adds to a child's meals essential food elements most likely to be lacking. Ovaltine is thus an insurance against those food deficiencies that retard normal growth and development.
Ovaltine food-drink is an excellent source of the Vitamins A, B, and D. It also contains almost all of the precious food elements necessary for health and top vitality, especially those needed for vitamin teamwork, such as calcium, phosphorus, iron, protein and fuel-food elements.
Three servings of Ovaltine furnish a significant portion of a child's daily requirements of these essential food elements needed for building sturdy bodies.
So—if your child eats poorly, is thin, nervous and under par, why not start giving Ovaltine regularly. Get Ovaltine today at your drug or food store.

LET'S TALK ABOUT
SECURITY
● Men have always sought security, worked for it, fought for it; for security, in essence, is the freedom from care. For the individual, security means a backlog of savings readily accessible in case of need.
Your purchase of Victory Loan Bonds will give you that secure backlog of savings. Backed by Canada's vast resources, your money will at the same time provide the future buying power to keep Canadian industry rolling at high speed.
AND—your money will serve to rehabilitate and re-establish the men who fought for the security we now enjoy. It will provide for the armies of occupation that will be our safeguard against future wars . . . It will help to pay part of our debt to the wounded and the dependents of those who paid the supreme sacrifice.
The 9th Victory Loan must be successful if we are to reap the full benefit of the peace.
Sign your Name for Victory
BUY VICTORY BONDS
IMPERIAL BANK OF CANADA
"THE BANK FOR YOU"
The Bank will place your Victory Bonds in safe keeping for a small fee, and will clip coupons each interest date, crediting the amount to your account.

Societies

Taking part in the cultural program were: Miss Edith Benson, with a talk on how to write poetry; Miss Dorothy Duckitt, with a talk on the Rh factor in blood, and Miss Louise Walton, with a talk on the meaning of culture. Discussion and criticism were conducted by Miss Frances Rigby. Next meeting will be held on November 19 at the home of Miss Edith Benson, 814 Old Esquimalt Road.

EDUCATIONAL SOCIETY

A local branch of the Workers' Educational Association of Canada will be formed at a meeting at 3 p.m. today in Room 301, Union Building. Members of trade unions, employees' associations and the public are invited.

Sunday Church Services in Victoria and District

Baptist

EMMANUEL

Remembrance Day will be fittingly observed at Emmanuel Baptist, when the pastor, Rev. W. L. McKay, will speak at the morning service on "Building a Peaceful World." In the evening Miss Mae Tully, Vancouver, director of young people's work, will be the guest speaker. The service will be opened with a song service led by Dr. David Parfitt.

FIRST

In keeping with Armistice Day, Rev. G. R. Easter will speak on "They Were a Wall About Us." Mr. McAdam will be the soloist. The title of the evening service is "The Shaking of the Nations." Arthur Jackman will sing.

CENTRAL

"Without Me Ye Can Do Nothing" is the Scripture for the message at the evening service, when the pastor, Rev. Dr. J. B. Rowell, will preach. At the 11 a.m. service the subject will be "Our Lord's Return—Caught Up to Meet the Lord."

Anglican

CHRIST CHURCH CATHEDRAL

Remembrance Day will be observed at Christ Church Cathedral tomorrow commencing with celebrations of the Holy Communion at 8 a.m. and 9:30 a.m. A special service of commemoration will be held at 10:55 a.m., and the two minutes' silence will be kept at 11 a.m. The Bishop will be the preacher at this service. The Dean will conduct a Service of Remembrance at 3 p.m., and will also preach at Evensong at 7:30 p.m. Three hundred and sixty invitations were sent to ex-servicemen and their families to attend Remembrance Day services.

ST. MARY'S

Special Remembrance Day services at St. Mary's, Oak Bay, will include celebration of Holy Communion at 8:30 a.m., Matins and sermon at 11 a.m., and Evensong with sermon at 7 p.m. Archdeacon A. E. de L. Nunns will preach morning and evening. A short service in the church for senior members of the Sunday school will be held at 9:45 a.m., and for juniors at 11 a.m.

ST. PAUL'S NAVAL AND GARRISON

Holy Communion will be celebrated at 8 a.m., followed by Sunday school at 10 a.m., with Matins and sermon at 11 a.m. The two minutes' silence will be observed from 11 to 11:02, and the congregation is asked to be seated before 11 a.m. Evensong and sermon will take place at 7 p.m.

ST. JOHN'S

Special Remembrance Day services will begin at 10:55 a.m. The placing of a wreath will be followed by a period of two minutes' silence. The rector will preach at both services. In the morning his topic is "Blow, Bugles, Blow!" and at 7:30 p.m. "The Horses and Chariots of God." Veterans of the 31st Alberta Battalion and the new veterans' group of St. John's will be present at the service. Holy Communion will be celebrated at 8 a.m.

Druggists to Aid Veterans of War

Opening the way to speed discharged servicemen and women becoming pharmacists if they started in the profession before enlisting, the Cabinet by order-in-council has approved an amendment to the by-laws of the Pharmaceutical Association of British Columbia.

The amended by-law, now states "the council of the association may, in recognition of service for King and country, allow any otherwise qualified candidate for the examination of pharaceutical chemist to sit for the same, provided that prior to the candidate serving in His Majesty's navy, army or air force, or any of the women's branches of such services, or in the merchant navy in time of war, such candidate has served at least one year as a certified apprentice or certified clerk.

Your Daily Forecast

By EDWARD A. WAGNER

PLANETARY GUIDE FOR SATURDAY, NOVEMBER 10, 1945

Keywords for the Day: Diplomacy, timeliness, method.

Saturday in General: The basis or underlying trend of affairs remains favorable today although minor upsets, opposition, delays and obstructions are likely. This is a better time for attending to matters already underway than for starting anything new of importance. Timing and timeliness are important factors today; give yourself plenty of time so that you need not feel hurried or harried by time or delays. Tact, diplomacy, political strategy will provide the answer to opposition or the lack of cordiality and friendliness but don't use forceful methods at this time. Be careful in transit, re distant interests.

If November 10 Is Your Birthdate: "Many happy returns." Famous persons born on this date include: Claude Rains, character actor; Martin Luther, reformer; Joaquin Miller, poet.

Your Year Ahead: You stand to benefit through the resources and finances of others, and through accounts or uncovering hidden assets in some way. In relationships with others, transit, distant interests use tact and care.

Exhibit Rare Letters

Rare old letters written on parchment and sheepskin, a fragment of papyrus 2,000 years old, and a letter on hand-made paper bearing the signature of Queen Elizabeth, were a few of the items shown at the Vancouver Island Philatelic Society at the Empress Hotel on Thursday by G. E. Wellburn.

Speaking on the development of the mails from early antiquity to modern times, Mr. Wellburn exhibited a letter written from Venice in 1491, and suggested the writer might well have been acquainted with Christopher Columbus. V. N. Bigwood was chairman. Slides were shown with the assistance of Dr. J. A. Pearce.

Knowledge Saves Lives

By Dr. J. B. WARREN

Knowledge about health and disease helps to save many useful lives.

In the early stages of cancer, tuberculosis and heart disease—three diseases that stand at the top as a cause of death—discovery and treatment can affect a cure in cancer and tuberculosis and if heart ailments are discovered and the patient taught to live within his strength his life can be prolonged for many years.

(Released by Consolidated News Features, Inc.)

Letters to the Editor

No letter to the editor will be inserted except over the proper signature and address of the writer. This rule admits of no exception. No letter should exceed 200 words in length. Unsolicited correspondence cannot be returned.

REPATRIATES' THANKS

Sir,—The following letter came today and in order that its message may reach all to whom it is addressed I am sending it to you for your column:

November 5, 1945.

Mrs. L. Cornish,

Dear Madam: On behalf of the British personnel who arrived here on the U.S.S. Perida a few days ago, we would like you to know that the work which "The Sewing Section" did for us has been deeply appreciated. You know how much we hate sewing, and it really was a great help to have all this work done for us. The hours which you must have given to the organizing were well spent. We realize the time and skill which you and all the other ladies have put into this for our benefit. Moreover, it was a pleasure to be shown such consideration.

Will you convey our sincere gratitude to all the ladies who made this work possible. Thank you, ladies.

We are yours truly,

Three of the 589.

I would like to add my thanks to all the ladies and all the organizations who worked so pleasantly and untiringly so many days with the wives of the officers of Gordon Head Camp in the sewing for the repatriates, and to express to any of the repatriates who are still in Victoria and who may read this, the pleasure we have had in meeting them and in doing our small bit to help make their freedom seem more real.

(MRS.) A. L. CORNISH.

1970 Argyle Avenue, Victoria, B.C., November 5, 1945.

NO STATUS

Sir,—An article appeared in your paper on November 6, 1945, stating that J. D. Smith, F. H. Dyke and D. E. Fitzgerald, representing Boilermakers' Local No. 2, had interviewed the Hon. G. S. Pearson, asking him to retain his position as Minister of Labor.

This is to inform you that they have no status to represent this local, being members of the dissenting minority group.

P. ROSS,
Secretary-Treasurer.

Boilermakers' and Iron Shipbuilders' Union, Local No. 2, 902 Government Street, Victoria, B.C., November 7, 1945.

ANOTHER VIEW

Sir,—The leading editorial in your issue of Friday, October 26, is captioned "Vote ... Right."

This statement is one which I feel sure will cause apprehension and dismay in a great number of those who supported an administration which in the past four years has given this province honest and progressive government, a large measure of forward looking labor and social legislation, and the promise and hope of much more in the new Legislature.

Surely there is no good reason to suppose that having been returned to office with an increased majority, the Coalition Government will now turn back the clock and forget about the matters referred to in its election manifesto. On the other hand, there is every reason to believe that the Government, under the able and courageous leadership of Hon. John Hart, will continue to serve the people of British Columbia, striving to give the greatest good to the greatest number, and endeavoring to see that the magnificent resources of this province are developed for its citizens and not for the benefit of special classes or interests.

What has taken place in British Columbia is exactly what transpired in Manitoba and Nova Scotia within the last month. Three good provincial governments, having merited the continued endorsement of their electors, have been overwhelmingly re-elected. I submit that in defeating the C.C.F. party, pledged to a program of Socialism, there was no swing to the right in any of these widely separated parts of Canada. Rather it should be taken as an indication that the voters of this country are satisfied that under our democratic system of government we shall achieve those broad measures of social betterment and security so much desired by us all.

As a matter of fact, so far from turning right, governments of today and of the future must, if they are to survive, move to the left of centre. Progress and reform are not static, and we are accepting today as commonplace legislation which 20 years ago would have been considered visionary and impossible.

In conclusion, may I say that I am one of scores of thousands of voters who are going to be bitterly disappointed and disillusioned should your conclusion prove to be correct. I sincely hope not.

WILLIAM M. MOUAT.

Ganges, B.C., November 8, 1945.

A PROPOSAL

Sir,—much is being said about the "Repats" and rightly so.

They are free and on there way home and wish them all God speed, those who came into close contact with them know that it was their spirit which won out in the struggle against great odds.

Scenery in and around Victoria is beautiful and will linger in their memories no doubt, but why not go further, each one who have met the boys could get a Home address and ship along a parcel (right away) for that great day, when they will be having their first peace celebration in six years. In the old land, they did their best for the Canadians at Christmas and now they are not able to give that extra to lend the festive touch.

We have not sacrificed much, there's no time to wait, let's get busy and really put Canada on the map and cement a friendship down the years.

(Mrs.) EDITH McGINNIS.

658 Langford Street, Victoria, B.C., November 8, 1945.

THE GILMAN REPORT

Sir,—We take this opportunity to compliment The Colonist on its editorial policy in connection with the Gilman proposal to take over and divide up the B.C. Electric Railway, and to have it operated by three separate government commissions. Your editorials say there are still many questions unanswered by the Gilman proposal.

Union labor, too, has some questions which are not answered by the Gilman proposal. What protection for labor is there in the Gilman proposal? None. We are to be thrown to the whims of future political bodies on working conditions—hours, wages—all the things which are now covered by contract with the B.C. Electric Railway.

Why is all this money—perhaps $80,000,000, perhaps $100,000,000—to be spent for something which will not create a single new job. Why not spend it for new development—for projects which will create jobs for everyone?

What protection have we against the union-smashing policies followed by public power projects and politicians, both in Canada and the United States? None. As it is now, public bodies are the most difficult to deal with of any employer. They consistently refuse to recognize unions much less grant working conditions anywhere near as good as we can get from business and industry. We want less of dealings with public bodies—municipalities and commissions, etc.—not more.

We ask that along with the fine work you are doing to inform the public on the general questions raised by the Gilman proposal, you also look into the very grave dangers to labor in this proposal.

F. DAVISON,
President, Street Railwaymen's Union, 181 Joseph Street, Victoria, B.C., November 8, 1945.

To Address Meeting

Rev. Dr. Louis T. Talbot, president of the Bible Institute of Los Angeles and pastor of the Church of the Open Door, Los Angeles, will address a meeting in Central Baptist Church at 8 p.m., on November 16. His subject will be "What Christ Has Said in Regard to How the Age Will End, Politically, Religiously and Morally—Are We Approaching the End?"

Dr. Talbot is a graduate of the Moody Bible Institute of Chicago and the McCormick Theological Seminary.

SECOND NEWS SECTION

NO. 279—EIGHTY-SEVENTH YEAR — VICTORIA, BRITISH COLUMBIA, SATURDAY, NOVEMBER 10, 1945

SPORTS SLANTS

By SID THOMAS

SATURDAY MORNING PROGNOSTICATIONS

Navy vs. Toppers.—Manager Cecil Cockerill's bluejackets came up with a mild surprise last week at Nanaimo when they nudged the home team by the odd goal in one of the best exhibitions of the season, and must be conceded an edge over the youthful Toppers in today's fixture at Royal Athletic Park. The Cafemen nosed out the sailors, 1-0, in their first meeting, but it will be a different story when the final whistle sounds today. Final score: Toppers 2, Navy 4.

Wests vs. Canadian Legion.—This match brings together the leaders and the cellar occupants, and from where we sit we cannot see the league-leading Greenshirts going under today at the hands of Manager Reg Clarke's Canadian Legion eleven. The latter team has been adding players and showing improvement, but will find the Wests just a little too tough. Victoria Wests will win here by three goals.

Victoria Mustangs vs. Kitsilano High School. — Fresh from their smashing triumph over North Vancouver, Victoria Mustangs will step on the gridiron today brim full of confidence against the highly-rated young gridders from Vancouver. Kitsilano, according to reports, have a smooth-functioning squad, but once again the added weight of the Mustangs and their hard-driving attack will prove too powerful to halt. Victoria Mustangs by 11 points.

Eaglettes vs. Unitys—Two teams managed and coached by Wally Yeamans, well-known basketball executive, battle here, and while experience favors the Unitys we are going to climb out on the proverbial limb and pick the Eaglettes by seven points.

Black and Whites vs. H.M.C.S. Uganda—Black and Whites have been doing quite well for themselves so far this season, and will pick up another couple of points tonight at the expense of the bluejackets. Final score: Black and Whites 42, H.M.C.S. Uganda 27.

Dominoes vs. K.V.'s—Manager Dave Nicol's cage stars had a fairly easy time the last time these two clubs met, and will win again by a comfortable margin. Final score: Dominoes 52, K.V.'s 29.

Oak Bay vs. H.M.C.S. Uganda—Manager Alf Richards' Oak Bay footballers look the best here, and should win this one. Final score: Oak Bay 4, H.M.C.S. Uganda 2.

Army vs. Saanich Indians—Troops have a pretty good squad and will finish on the right end of the scoring against the Saanich Indians. Final score: Saanich Indians 1, Army 5.

J.B.A.A. vs. Naval Cadets—Rugby leaders will clash in this important Barnard Cup fixture at Macdonald Park on Monday afternoon. Bert Buller's starry Bays will probably find the future naval officers giving them plenty of trouble here, but will be able to pull through on the right side of the score sheet. Final score: J.B.A.A. 11, Naval Cadets 8.

Oak Bay Wanderers vs. Victoria College—Considerably pepped up following their 3-3 draw with the Royal Canadian Naval College last week, Oak Bay Wanderers will "shoot the works" against the Collegians at the James Bay enclosure. Wanderers have a lot of good material and will definitely improve as the season progresses. They will win here. Final score: Oak Bay Wanderers 8, Victoria College 5.

Naval Cadets vs. Victoria College — Intermediate ruggers hold the spotlight here, and this corner likes the Victoria College in this match. Collegians will take this one by six points.

Officials of the Victoria and District Basketball League announced last night that H.M.C.S. Uganda Band will be in attendance at tonight's basketball games at the High School gymnasium.

Undefeated Rugby Teams Will Battle At Macdonald Park

Naval Cadets and J.B.A.A. Meet Monday in Important Fixture—Two Other Matches Billed

Topping off what gives every indication of being a first-class holiday program for local rugger enthusiasts, J.B.A.A. and Royal Canadian Naval College will battle in the feature attraction of Monday's triple-header at Macdonald Park.

Here is the complete card:

SENIOR LEAGUE

1:30—Oak Bay Wanderers vs. Victoria College.

3:00—J.B.A.A. vs. Royal Canadian Naval College.

INTERMEDIATE LEAGUE

2:30—Victoria College vs. Royal Canadian Naval College.

First meeting of the Bays and Naval Cadets, the finale looms as the early season's classic, with undisputed occupation of top berth in the Barnard Cup race at stake.

Cadets, defending the championship they won last season, blanked Victoria College in their season's debut, but were held to a 3-3 stalemate by Oak Bay Wanderers in their second match. On the other hand, Bays just managed to nudge the Collegians, 6-5, and then rolled up a smashing 28-0 triumph over the Royal Canadian Navy.

It will be experience and weight hanging in favor of the Bays, with the younger and lighter Naval Cadets relying on speed and condition.

Rival coaches reported their squads in the pink of condition last night and each predicted a keen battle.

The curtain-raiser between the Oak Bay Wanderers and Victoria College has all the earmarks of another great struggle. Wanderers scored a mild surprise last week when they held the Naval Cadets to a 3-3 draw, and immediately were listed as the team to watch in future contests.

Ronnie McConnan, former "rep" player and coach of the Oak Bay ruggers, is confident his proteges will hit the win column against Victoria College. In the opposing camp, Campbell Forbes, "rep" coach last season, predicts a victory for the students from Craigdarroch.

The Intermediate League fixture will see the Royal Canadian Naval College ruggers battling for their initial triumph of the season when they step on the field to oppose Victoria College, second berth occupants.

Victoria Athlete Gets Important Post on Mainland

Recently discharged from the Royal Canadian Navy, where he served as a lieutenant for four years, Harry Robson, former Victorian and a prominent athlete and law student before enlisting, has been appointed probation officer by judges of the Family Court and Juvenile Court at Vancouver.

A former employee of The Daily Colonist, Robson was educated at Victoria High School and Victoria College before attending the University of British Columbia, where he received his bachelor of arts degree. While attending the university he was a star on the rugger squad and also performeed for the Vancouver "Rep" team.

Before the war he was a student-at-law, articled to Gordon W. Scott, Vancouver city prosecutor. A sister, Mrs. Les Keating, resides at 735 Pandora Avenue, Victoria.

Max Bentley Top Scorer in N.H.L.

Max Bentley scored three goals last night as Chicago Black Hawks edged out New York Rangers, 5-4, and took sole possession of the National Hockey League individual scoring race leadership. Bill Mosienko added two goals and an assist to his total to share the second-place spot with Montreal's Toe Blake with eight points, one behind the leader. Bill Cowley and Alex Kaleta were tied with seven points for fourth place, while Boston's Don Gallinger was alone in sixth place with six points. Adam Brown picked one point to climb in a three-way tie with Maurice Richard and Elmer Lach with five points each.

Leaders:	G.	A.	Pts.
M. Bentley, Chicago	8	1	9
Mosienko, Chicago	4	4	8
Blake, Montreal	6	2	8
Cowley, Boston	5	2	7
Kaleta, Chicago	2	5	7
Gallinger, Boston	2	4	6
Richard, Montreal	3	2	5
Lach, Montreal	2	3	5
Brown, Detroit	4	1	5

CJVI To Broadcast Basketball Games

Inaugurating a series of basketball broadcasts, Radio Station CJVI will carry a play by play report of the Dominoes-K.V.'s senior "A" tussle at the High School gymnasium this evening commencing at 9.

Present arrangements call for the airing of the feature game each Saturday night over the local station, including all exhibition contests against visiting clubs. Al Collins will be at the microphone.

TOKIO, Nov. 9 (AP)—The Japan Baseball Federation has decided to revive professional baseball, which the Government banned during the early days of the war, Kyodo News Agency said today.

Teams throughout Honshu will start training immediately.

Vancouver Forward

JOHNNY McKAY

Clever inside right of Vancouver St. Saviours and one of the best play-making forwards in the Pacific Coast Football League, who will be here on Monday with the visitors. Leaders of the Vancouver circuit, St. Saviours will oppose Victoria All-Stars in the season's inaugural inter-city fixture at Royal Athletic Park. Kick-off is set for 2:30 p.m.

Ex-Servicemen See Action on Sports Front Today

MURRAY SPELLER

RAY MITCHELL

"ROOKIE" WRIGHT

THREE of the numerous athletes just out of the services, who will perform today for the benefit of Victoria sports fans. Speller will make his reappearance with the Victoria Wests at Heywood Avenue after missing several games, when the Greenshirts take on the Canadian Legion in one of two soccer fixtures. In the other match, Joe Watt's bustling Toppers will attempt to upset the powerful Navy eleven at Royal Athletic Park. Both games will get under way at 2:30 p.m. Fresh out of army uniform, Mitchell, shifty running back of the Victoria Mustangs, will get the call at one of the halfback slots this afternoon at Macdonald Park when Kitsilano High School, of Vancouver, tangle with the local club in a Canadian football exhibition. Game time is 2:30 p.m. A star with the Victoria Dominoes when they last won the Canadian title, Wright will be back in action again with his old club when they make their second start of the season against the K.V.'s in the feature of a three-game basketball bill at the High School. Other games see H.M.C.S. Uganda and Black and Whites mix it in a senior "B" tilt and Unitys and Eaglettes square off in a women's section contest. The feature is billed for 9 p.m., with preliminary games starting at 7 p.m. and 8 p.m.

Sport Card

SOCCER

First Division—
2:00—Wests vs. Legion, Heywood Avenue.
2:30—Navy vs. Toppers, Royal Athletic Park.

9:00—Dominoes vs. K.V's.

Oak Bay Ruggers Chalk Up Third Straight Win

Register 8-0 Triumph Over Victoria High School Team in Intermediate League Game

LEAGUE STANDINGS	W.	L.	D.	F.	A.	P.
Oak Bay H.S.	3	0	0	22	5	6
Victoria College	1	1	0	19	6	2
Naval College	0	1	0	0	8	0
Victoria H.S.	0	2	0	0	22	0

Yesterday's score: Oak Bay High School 8, Victoria High School 0.

Next game, Monday: Naval College vs. Victoria College, Macdonald Park, 2:30 p.m.

Oak Bay High School ruggers established themselves as the team to beat for the intermediate honors yesterday when they defeated Victoria High School, 8-0, at Windsor Park for their third straight win of the season.

Starting with a rush, Oak Bay pressed hard from the first whistle and scored before the game was five minutes old. Getting the ball on the loose, Jim Mill kicked it ahead and followed it over for the initial score. Doug Brown made good on the conversion attempt to give his team a 5-0 lead which was the score at half-time.

Victoria fought hard in the second half and the winners did not dominate the play as they did in the first period. Joyce and Millard chalked up large gains for Victoria to spearhead their rally. Play in the half was largely a duel between the scrums with little to choose.

Three-quarters through the second half, Lawrence Bates, wing three, received a pass from Prevost and was tackled just short of a try after a 50-yard run. From there the Oak Bay scrum smashed its way for the few remaining yards for the final score. Brown's kick for the extra points was short.

Line-ups follow:

Victoria High: Lott, McKelvar, B. Ciceri, R. Ciceri, Murdoch, Smythe, Joyce, Dobbie, Wallis, Mitchell, Walker, Lea, Millard, Wyckoff, Rickerby.

Oak Bay High: Waters, Pratt, Wells, Main, Brown, Bates, Prevost, Stephenson, Blyth, Mill, Burland, Roberts, Estlin, Preiswerck, Davenport, Young.

Commander Ellis refereed.

Eastern Grid Squads Meet In Cup Tilts

Eastern Canada challengers for the Grey Cup will be reduced to three tomorrow as two of three senior leagues complete their schedules and the third concludes a two-game title series.

Seeking to represent the East in the national final were Toronto Indians and Toronto Balmy Beach, who play the last scheduled game of the Ontario Rugby Football Union at Maple Leaf Stadium, Saturday, and the Big Four's two top teams, Ottawa Rough Riders and Toronto Argonauts.

Argos carry a 19-point lead into the second game of their total-points, home-and-home series at Ottawa. The Big Four champion will meet either Beaches or Indians, November 24, in an Eastern Canada final which will qualify the East's representative for the East-West game, December 1, against Calgary Stampeders or Winnipeg Blue Bombers.

In the intercollegiate Union, University of Toronto was at home to McGill University, while Western University opposed Queens at Kingston, Ont., in the fourth game on Saturday's card. The double-header marks the end of the four-week college schedule in which no winner will be declared.

Late injuries have stripped Rough Riders of some of its power. Tommy Daley will miss the game with a fractured arm. Outside Bert Haigh is having trouble with leg muscles, and Eric Chipper is being treated for a shoulder injury.

Argos will be without veteran Outside Pat Reid, who has a knee injury, but the remainder of the club which won an overwhelming 27-8 victory in the series opener are in good shape.

The game between Beaches and Indians, prelude to a two-game play-off series next Wednesday and Saturday, is the first meeting of the clubs since Beaches won a 16-15 triumph in an early-season game.

Canadian to Compete For Snooker Honors

LONDON, Nov. 9 (Reuters)—Conrad Stanbury, of Winnipeg, will compete in the world's snooker championships to be held across Britain within the next few weeks, it was disclosed today in the draw announced by the British Billiards Association.

Stanbury will meet the highly-favored John Barrie, of Wisbech, England, in the first round.

Chief threat to the crown being defended by England's Joe Davis will be Horace Lindrum of Australia.

OAK BAY LINE-UP

Line-up of the Oak Bay second division soccer club for today's match against H.M.C.S. Uganda at Windsor Park at 2:30 follows: Laing, Swainson, Newman, Richards, Knappett, Robinson, Sadler, Latham, Codville, Witmer, Burdge, Thompson, Holding.

World Mile Mark May Revert To English Runner

LONDON, Nov. 9 (Reuters)—British track authorities tonight speculated on the possibility that the world mile running record may revert to Sydney Wooderson, of London, if Arne Andersson and Gunder Haegg, of Sweden, are ruled to be professionals.

The Swedish newspaper Expressen said Thursday that Haegg and Andersson had been declared professionals but the report lacks official confirmation. However, it is known the Swedish Athletic Association is investigating charges that leading athletic clubs in that country were paying top-flight runners to represent them.

Haegg's time for the mile is four minutes 1.4 seconds. Wooderson set a mark of 4 minutes 2 seconds when he finished second to Andersson at Gothenburg, Sweden, last September 9.

RIFLEMEN TO MEET

A general meeting of the Victoria and District Garrison Rifle Association will be held at the Bay Street Armouries, Room Two, on Thursday, November 15, at 8 p.m.

Anyone interested in shooting is invited to attend with a special invitation extended for former members of the Pacific Coast Militia Rangers.

FIRST VICTORY

WASHINGTON, Nov. 9 (AP)—Washington Lions scored their first Eastern Hockey League victory of the season here tonight in upsetting the defending champions, Boston Olympics, 4-3.

The defeat for Boston — the first of the season — was a lost opportunity to tie Philadelphia for the league lead.

Canadian Fighter Outpoints Janiro In New York Ring

Johnny Greco, Montreal Scrapper, Scores Second Victory Over Youngstown Battler

NEW YORK, Nov. 9 (CP)—Johnny Greco, stocky Montreal welterweight, scored a decisive victory over Tony Janiro, Youngstown, O., in an eight-round feature bout in Madison Square Garden tonight.

Greco weighed 145, Janiro 144. It was the second victory for the Canadian in three meetings with Janiro.

The bout was held to eight rounds because of a state ruling which forbade the 18-year-old Youngstown stylist to engage in a full-length fight. Nevertheless, the youngster wilted under the heavy pressure of Greco's pounding from the fourth round on.

Janiro illustrated his boxing skill in the second and third rounds, taking these handily, but after the Montrealer's clubbing left hooks began to connect in the fourth he was a beaten boy.

Greco scored two knockdowns and had the fight gone 10 rounds a knockout seemed likely. However, Janiro fought back gamely to tie up the former Canadian army private even when he was hurt.

A near sell-out crowd, welcoming beak-busting back to the Garden after a six-week layoff during the annual rodeo, had made Janiro a 5-12 favorite at ringside.

But the underdog from Montreal practically legt-hooked his young rival silly, and came in with the unanimous decision of both judges and the referee. The Canadian press score card gave Greco six rounds, Janiro two.

Stampeders to Meet Bombers

WINNIPEG, Nov. 9 (CP)—Two well-conditioned football teams will trot out on the snowy gridiron of Osborne Stadium here tomorrow when Calgary Stampeders meet Winnipeg Blue Bombers for the Western Canada football championship.

An eager 24-man squad pulled out of Calgary today accompanied by Club President Jack Grogan, Secretary Archie McGillis and Les Ferguson, who will be referee in charge of the final contest.

On the other hand, the Blue Bomber masterminds are still in the midst of sorting out two dozen pigskin stalwarts from among 35 odd players. The team braved the Winnipeg winds here last night as they galloped through a 60-minute workout.

With the snow half a foot deep, it was decided to forego scrimmage and avoid possible injuries.

Coach Dean Griffing, of the Co-op Stampeders, reports his squad in good shape with no real injuries.

He set the keynote of the game when he said that "under the weather conditions, the breaks will have a lot to do with the result. If we get our share I think we can win."

The weather in Winnipeg has been sticking to the low 20's since Wednesday's blizzard, and fans at the game will be in for a cold afternoon. Latest prospects are that there won't be any more snow, but with the cold expected to continue what has already fallen will still be on the field at game time.

Issues Challenge To Gus Lesnevich

LONDON, Nov. 9 (CP)—Freddie Mills, British light-heavyweight champion, today challenged Gus Lesnevich, recognized as the United States light-heavyweight champion, to a world title fight in the United States.

Ted Broadribb, Mills' manager, who said he had been in close tough with Mike Jacobs, American promoted, suggested the match be held on the same bill as the heavyweight contest between Joe Louis and Billy Conn in June.

TO JOIN RED WINGS

INDIANAPOLIS, Nov. 9 (AP)—Jerry Brown, centre and leading scorer with the Indianapolis team of the American Hockey League, will join Detroit Red Wings in time to play against New York Rangers in a National Hockey League contest tomorrow night, General Manager Dick Miller of Indianapolis Capitals said tonight.

The Wings are sending Cliff Simpson to the Capitals to replace Brown.

LONDON (CP)—Two British weekly newspapers have completed 100 years of continuous publication—The Bedfordshire Times and The Banffshire Journal.

New York Stocks

NEW YORK, Nov. 9 (CP).—Buyers shifted to utilities and specialties in today's stock market, pushing these to peaks for nearly nine years with gains of fractions to more than three points, while many industrial leaders were thrown for further losses.

Transfers tapered to 1,830,000 shares from 1,960,000 Thursday.

The Associated Press 60-stock average was unchanged at 74.7 of 1,002 issues, registering, against 1,023 the day before. 418 advanced and 373 declined.

Toronto Stocks

TORONTO, Nov. 9 (CP).—Displaying general strength, the Toronto market was definitely higher at the close, though volume was a bit draggy. Interest was uppermost in cheaper golds and a few registered sizable gains. Some medium-price issues also firmed. All four index groups were higher. Volume was around 2,300,000 shares.

London Stocks

LONDON, Nov. 9 (Reuters).—The stock market gain was quiet today. British funds were offered and some occasionally were off one-eighth.

There appeared to be more buyers than sellers among industrials but the volume of business was too small to test the market, however, cable and wireless ordinary were outstanding, rising to £108 at one time, although they reacted under profit-taking and closed at £106½.

Among foreign bonds German issues met support on hopes of favorable reparations payments, but Far Eastern liens again were offered.

INTERNATIONAL DRAMA

Four members of the tourist trade group of the Chamber of Commerce will attend a meeting of the B.C. Drama Association on November 21 in the Pemberton Building board room. Plans will be made for the first international drama festival here from July 21 to 27. Capt. Norman Foster, Alderman J. A. Worthington, Frnak Paulding and H. S. Olsen will represent the tourist trade group.

According to Culbertson - - - -

The problem of the right bid in today's deal was susceptible to a purely logical solution.

East, dealer.
Both sides vulnerable.

NORTH
♠ 3
♥ Q 6 4 3
♦ J 8 6 5
♣ J 6 4 2

WEST
♠ J 9 7 2
♥ K 9 5
♦ 9 3 2
♣ 8 7 3

EAST
♠ A 6 5
♥ A J 8 2
♦ K 7 4
♣ K Q 6

SOUTH
♠ K Q 10 8 4
♥ 10 7
♦ A Q 10
♣ A 10 9

The condition of the score was the crucial point. Not only were both sides vulnerable, but East-West had a part score of 30, while North-South had 60 below the line.

East, the dealer, elected to bid one no trump, which was unquestionably the best choice—for its comparative shutout value, if for nothing else. South doubled, which also was completely logical. If North wanted to make a penalty pass, well and good. If he took out to two diamonds or two clubs, South had excellent support, and the 40 points needed toward game would be in clear sight. Finally, if North answered the double with two hearts, South could overcall him with the higher ranking spade suit.

After West's pass, North thought for a moment and then bid two hearts. Normally, he knew, the double of a no trump is for penalties, but the part-score situation demanded that North give his partner some "leeway." (This, quite aside from the weakness of the North hand.) On the score, South might well have shaded the requirements for a double so as not to be excluded from the auction—he might be counting on North to take the double with a grain of salt. Thus, North was correct in bidding—but his choice of bids was bad. Over two hearts East passed because that was one contract he could hope to defeat, and when South bid two spades, West felt the same way. They were both right—two hearts and two spades were equally unmakable by North-South.

If North had applied more logic to the situation, he would have taken out the double to two clubs—the lowest-ranking suit. If South "liked" clubs, 40 points would be enough. If he didn't—and here was the crux—he had all three of the other suits still available at the low two-level! The heart response left only spades at that level, whereas two clubs left two clubs, two diamonds, two hearts and two spades.

Big National Highway Program For Canada Supported in City

A national highway program for Canada, outlined in a brief from the Calgary Board of Trade, was endorsed by the tourist trade group of the Chamber of Commerce at a meeting yesterday in the board room.

The brief advocated annual expenditure of $100,000,000 toward the [illegible] be made evenly by Provincial and Federal Governments. Claiming highways would attract tourists, the brief noted proposed expenditure of $3,000,000,000 for highways in the United States.

Members were informed a certain Cowichan Lake property, including one mile of waterfrontage, would be retained by the Provincial Government for use by the public. It was feared the land might be sold to private interests.

A letter from E. G. Rowebottom, deputy minister of trade and industry, thanked members for distributing and collecting questionnaires concerning tourist camps and resorts of the Island.

[illegible] of a special committee to investigate attempts being made to restrict hours of business within the province.

Set Annual Meeting

Election of officers will take place at the annual meeting of the Saanich Liberal Association, to be held on Tuesday at 8 p.m. at Victoria Liberal headquarters on Brougham Street.

Dress in Native Garb for Indian Drama

THE three Indian boys shown above dressed in native costume loaned by the Provincial Museum, will act as hosts at Victoria High School auditorium at 8 p.m. Thursday, when Anthony Walsh will dramatize British Columbia Indian legends, songs and dances. The showing, sponsored by the University Women's Club will be in aid of the fund to be established by the Society for the Furtherance of Indian Arts and Crafts in memory of British Columbia Indians who gave their lives in service overseas. From the fund, selected boys will be provided with [illegible] Indians to develop native arts and crafts. The boys, of the Songhees Reserve, in the photograph, are, left to right, Thomas Dick, Bernard George and Vincent Dick. Frank George, a brother of Bernard, recently returned home after four years of service overseas with the Canadian Scottish Regiment.

City and District

New Poundkeeper — David Henderson, Derwand Mccarthie Lake, has been appointed poundkeeper of the Hillcrest pound district, Lake Cowichan area.

Bicycle Licences — There have been 242 bicycle licences issued in the city since the licensing by-law went into force on November 1, the office of the assessor-collector disclosed yesterday.

Two Fined—John Scott was fined $25 in Oak Bay police court yesterday afternoon on a charge of failing to remain at the scene of an accident on Oak Bay Avenue on November 1. A motorist who pleaded guilty to a charge of speeding in a school zone was fined $10.

No Change—Removal of rationing restrictions on gin has not yet been considered by the Liquor Control Board, W. F. Kennedy, chairman, said yesterday. He expects reports from vendors on stocks to be in about November 20 and may announce the December ration about November 24.

Water Pressure—An interim report from F. C. Stewart, Vancouver consulting engineer, was studied by the water board meeting yesterday, according to Alderman J. A. Worthington, chairman. The report dealt with pressure points in the city system. Mr. Stewart's survey has not yet been completed.

Small Sale—A tax sale of 31 parcels of land that started on Monday is proving to be one of the smallest sales for several years, George A. Okell, city assessor-collector announced yesterday. Eight lots have been bought for a total of $4513.64. The sale will close not later than November 15.

Reef Wharf—Efforts to increase and modernize fishermen's docking facilities here will be made by a special committee of the Victoria local, United Fishermen and Allied Workers' Union, appointed at a recent meeting. Committee members are M. Spring and George Bickford. Members will meet on the first Thursday of each month throughout the Winter.

Cars Prowled—Cars are being prowled during night school hours at Victoria High School, city police stated yesterday. Two cases were reported yesterday. Gordon Fletcher, 982 Heywood Avenue, said caps from his radiator and gasoline tank were stolen on Thursday night, and an effort made to take the spare tire. J. Andersen reported theft of radiator and gasoline caps on Monday night.

Found Guilty—G. Kelman was convicted in city police court yesterday on a charge of driving in a manner dangerous to the public, and was fined $25. The charge was laid as a result of an accident at Fisgard and Douglas Streets on the night of October 28. A motorist was fined $15 for speeding, and two fines of $5 each were imposed for failing to halt at a stop sign, and for a violation of the gasoline by-law. Six motorists were each fined $2.50 for infractions of parking regulations.

Win Suit—Judgment of $442.50, the amount claimed, was given by Judge H. H. Shandley in County Court yesterday in the suit of Pemberton, Holmes, Ltd., against Nicholas Squires and Kathleen Squires, 631 Trutch Street. It represented 5 per cent commission on sale price of $8,850 on property listed by the Squires with Pemberton, Holmes, Ltd. The claimant company stated a sale to Mrs. Lavida Barnes, 906 Linden Avenue, was arranged, but the Squires failed to go through with it. J. B. Clearihue, K.C., appeared for the company, and P. J. Sinnott for the Squires.

There are more than 120 species of trees in Canada.

Overseas Wives

Overseas Wives Club will hold a sewing and knitting class next Wednesday at 7.30 at the Y.W.C.A. The meeting takes the place of a card party originally scheduled for that date. The president, Mrs. Nan W. Raven, has invited all overseas wives to join and meetings are held alternate Wednesdays and information may be obtained from the secretary, Mrs. Axford, E 3323.

Inflation Battle To Be Continued

With the largest backlog of purchasing power Canada has ever known and the public anxious to be rid of wartime restrictions the Wartime Prices and Trade Board must continue to battle against inflation, Miss Bayne Hope Saunders, director of the consumer branch of the board, told members of the Lions Club at a luncheon yesterday in the Empress Hotel.

Miss Saunders gave credit for the success of the drive against rising prices to 1600 volunteer women who, she said, represented the consumer to the Wartime Prices and Trade Board, and interpreted the board to the consumer.

Peter Scott, of the Vancouver Centre Lions Club, outlined the cancer and virus disease research project his club is endeavoring to place on a national scale, and invited the local club to participate.

Carl Stocker was named to succeed Lee Hamberg as second vice-president of the club, the latter having resigned the office because of other activities.

City May Repeal Salary Measure

A. J. Patton, city solicitor, yesterday recommended to the City Council that the salary regulations by-law be repealed and a new by-law drawn up and passed.

The council previously instructed Mr. Patton to revise the clause which set up a permanent personnel committee composed of the comptroller, engineer, assessor-collector, solicitor and parks superintendent.

Mr. Patton also recommended that the schedules be redrawn to include the 10 per cent increase granted, and that D. A. Macdonald, comptroller, be requested to prepare the revised schedules to bring salary matters up to date.

Decrease in Jobs Available Here

A continued [illegible] decrease in the number of vacant jobs in Victoria is indicated by figures released yesterday at the local office of the employment branch, National Unemployment Insurance Commission, by C. A. Mudge, manager.

There are 515 vacancies for men, compared with 363 last week and 660 a month ago, and 113 vacancies for women, compared with 126 last week and 212 a month ago.

They include: Men: Jobless, 54; service workers, 77; clerical and sales, 34; construction, 47; remainder, mostly unskilled labor. Women: service workers, 46; clerical workers, 25; laundry workers, 16; remainder, mostly unskilled help.

PRAISE FOR RUSSIANS

Following an address on "Twenty-Eight Years of Socialism in the U.S.S.R.," given at the last meeting of the Victoria club of the Labor-Progressive Party, a resolution was passed congratulating the Soviet people on their contribution to the defeat of Fascism, and urging an extension of the present friendly relations between people of Canada and the U.S.S.R.

Nanaimo Federal Meeting at 2 P.M.

MEMBERS of the Nanaimo Federal Progressive Conservative Association will hold their annual meeting in St. Mark's Hall on Boundary Road at 2 p.m. today. Election of officers will take place.

SPENDS LEAVE HERE

Sub-Lieut. R. W. J. Cock, R.C.N., after two years service in the Far East, is spending two months' leave with his mother, Mrs. H. B. Nash, 2489 Estevan Avenue.

He was named as the best all-round cadet entering the R.C.N. when he was graduated from H.M.C.S. Royal Roads. He was educated at Willows and Oak Bay Schools, and attended Victoria College.

"Island Trails." Highways and Byways on Vancouver Island. Illustrated, 75c, at book and department stores. Ideal Christmas gift.

For Concrete Work call Paul Zaluski, G 8886. Good job every time.

Clothing Shortage Grows Acute In City as Servicemen Return

The men's clothing situation in Victoria is growing desperate, according to reports from several tailors yesterday. Some wholesalers have advised tailors to accept no more orders for suits without discharged servicemen's priority certificates, and many are complying.

Demand for priority on suits here probably [illegible] close to 1,400 a [illegible] received their discharge one tailor estimated.

"Shirts, underwear, pyjamas and socks are practically non-existent," another tailor said. "Many are being held back for sale to discharged servicemen buying suits. The supply of topcoats, which are not on priority, remains fairly good.

It takes about five weeks to obtain a tailored-to-measure suit on priority and three to four months without, if a tailor can be persuaded to take the order. Relief may come in the Spring, some tailors believe, if the labor shortage begins to ease.

However, George R. Matthews, secretary of British Columbia division of the Retail Merchants' Association of Canada, held out small hope yesterday. "No one seems to know when the situation will be relieved," he said, asserting that material was available but that labor shortages were holding back production in Eastern Canada. Speaking of shirts, he stated, "There is a great demand throughout Canada. In some provinces [illegible] other provinces labor is available but there is no material."

He felt that supplies of men's shoes would present no future problem, and that the working clothes picture would soon improve.

Wholesalers have advised Victoria tailors not to order double-breasted suits yet, although their manufacture is now permitted. Delivery will be slow, they point out. They refuse to accept changes on orders already made.

Unless a man were on the stout side, there was little chance of getting a suit from one Douglas Street store without paying, the manager observed. "Men coming out of the army tend to be streamlined, unless they are quartermaster sergeants or something like that. So if a man is 44 around the waist, he may hope to find a suit in stock," he explained.

Changes in Staff Proposed by City

Four important changes in the personnel of the city engineer and water commission offices were recommended to the City Council following a joint meeting of the water board and public works committee [illegible].

It is proposed that Cyril Jones, who became deputy engineer and deputy water commissioner, while R. H. Dove will assume the post of assistant water commissioner.

R. H. Smith, who has acted as assistant city engineer during the war years, is recommended for transfer to the school board to become superintendent of buildings and grounds. He will succeed Donald Cameron, who will be superannuated.

The recommendations were announced by Alderman J. A. Worthington, chairman of the water board, and Alderman Edward Williams, chairman of the public works committee.

1 BIRTHS

CLEMENT—To Lieut. and Mrs. M. W. Clement, at the Royal Jubilee Hospital, November 1, 1945, a son, Richard Alan.

MCKENZIE—To Lieut. and Mrs. M. E. McKenzie, at Holy Cross Hospital, Calgary, November 4, a son.

3 MARRIAGES

MARRIS-WOODWARD—On Mr. 455 Mrs. Preston Woodward, 1016 Fell Street, an event the marriage of their younger daughter, Hazel Joyce, to Pte. L. Albert Marris, R.C.A.F., younger son of Mr. and Mrs. Fraser Harris, New Castle, N.B., which took place November 3 at 8.30 p.m., at First United Church with Rev. Dr. H. A. McLeod officiating.

8 DEATHS

BAILEY—Passed away in this city on November 8, Cyrus Bailey, aged 84 years, of 1115 Blanshard Street. He was born in Ontario and had resided in Victoria for the past 26 years and in the Robinson district, Manitoba, for many years. The late Mr. Bailey is survived by one brother, Thomas, of Ontario; two sisters, Mrs. George Mitchell, of Ontario, and Mrs. Georgina McTavish, of 1115 Blanshard Street. He was predeceased by his wife in 1942. Funeral service will be held in McCall Bros.' Floral Funeral Chapel on Tuesday, November 13, at 2 p.m. Rev. R. J. Wilkinson officiating. Interment in Colwood Burial Park.

McLEOD—On November 8, 1945, in Victoria, Alexander [illegible] McLeod, aged 81 years, a resident of Beaver Lake for 50 years, born in Dunvegan, P.E.I. The remains are resting in Hayward's B.C. Funeral Chapel, and will be forwarded on Monday to Seattle, where service will be held and interment made.

NICHOLLS—Passed away at his Summer cottage, Deep Cove, on November 8, 1945, Jesse C. Nicholls, of 2704 Fort Street, aged 61 years. Born in England and a resident of Victoria since 1921. He leaves his widow, a brother and a sister in England. Funeral from Hayward's B.C. Funeral Chapel on Tuesday at 1.10 p.m. Interment in Colwood Burial Park.

POGSON—At the Royal Jubilee Hospital on November 8, 1945, Robert Harry Pogson, aged 79 years, born in Lancashire, England, and a resident of Victoria for 23 years. He leaves his widow, Alice, at home; one son, J. T. Pogson, Victoria; four daughters, S. Ellsworth, at home; Mrs. Elsie Reynolds, Victoria; Mrs. Amelia Weatherley, Saskatchewan; and Mrs. [illegible] Wright, South Wales. Also two grandchildren. Funeral on Monday, November 12, from Hayward's B.C. Funeral Chapel, at 1.30 p.m. Interment in Colwood Burial Park.

4 CARD OF THANKS

The family of the late Mrs. Jane Humphreys wish to thank their many friends and relatives for their words of sympathy and floral tributes. Also Dr. George Hall, nurses of St. Joseph's Hospital and Rev. [illegible]. Funeral Home for their kindness in their late matter. Inserted by Owen Brenda, Lee and Lloyd.

LAND ACT

Notice of Intention to Apply to Lease Land in Cowichan District of the Land Recording District of Victoria, and Situate on Sooke Salt Spring Island.

TAKE NOTICE that Montague Arthur Weaver Bridgman, of Victoria, B.C., occupation merchant, intends to apply for a lease of the following described lands: Commencing at a post planted at the Southwest corner of that part of Section Fifty-Four (54), South Salt Spring Island, as shown on plan deposited in C.T. 39112-I, being a point on high water mark on the North shore of Fulford Harbour; thence S20° E. 600 feet; thence 886° E. 330 feet, more or less, to high water mark; thence in a general Westerly direction along said water mark to the point of commencement, and containing five (5) acres, more or less.

Date of staking October 5th, 1945.

MONTAGUE ARTHUR WEAVER BRIDGMAN.

North Quadra Street,
Victoria, B.C.
Dated October 15th, 1945.

OAK BAY

$3700 CASH FULL PRICE
Are you one of those good middle-class people who want a cute little Oak Bay home but can't afford the high prices that are usually associated with this exclusive locality.
If you are, then read further. We have just been instructed to sell this not new but very little four-room cottage (no basement), nestled amid lofty pines on a beautiful lot in Oak Bay's most desirable location. It's SOUTH OF THE AVENUE and CLOSE TO SEA, with bus at door. Would suit a retired couple but too close to bus line for little children.
You'll want this dream home for your very own and you can move in next month.

Alcos Lose Points For Using Ranson

Ivan Temple, secretary of the Victoria and District Basketball Association, announced last night that Alcos Intermediate "A" club would be deprived of the points in their game against Victoria College on Monday night, which they won, 51-42, and that the Collegians would receive credit for the victory because of the use of an ineligible player by the Alcos. Decision was made at an executive meeting earlier in the week.

Jim Ranson, who appeared with the K.V.'s Senior "A" club earlier in the season, was the player in question and turned out with the Alcos on Monday without first receiving a release from his former club. Officials based their decision on the ruling which says no player may drop into a league or lower classification without first receiving a release from the club with which he started the season. Players are permitted three games in a higher division without impairing their status, but after the third game must stay with the club they were with or move up for the balance of the season.

Military Activities

Cage Fixtures Are Announced

With three additional entries in the men's senior "B" section and one in the intermediate "A" group, officials of the Victoria and District Basketball Association last night released a schedule for games extending from Monday, November 12, to Wednesday, November 21.

Canadian Legion, Sprinkling Tailors and Northwestern Creamery are the late starters in the senior "B" section, rounding out an eight-team circuit, while the Roller Bowl entry in the intermediate "A" ranks completes what is now a four-club division.

Schedule follows:

NOVEMBER 12
7:00—Hot shots vs. Hudson's Bay, women's division.
8:00—J.B.A.A. vs. Roller Bowl, intermediate "A" division.
9:00—Eagles vs. Chinese Students, senior "B" division.

NOVEMBER 14
7:00—St. Louis College vs. Chinese Students, intermediate "B" division.
8:00—Alcos vs. Roller Bowl, intermediate "A" division.
9:00—Sprinkling Tailors vs. RMCS Uganda, senior "B" division.

NOVEMBER 17
7:30—Canadian Legion vs. Northwestern Creamery, senior "B" division.
8:30—Alpine Dairy vs. Victoria Dominoes, intercity exhibition.

NOVEMBER 19
7:00—Victoria College vs. Roller Bowl, intermediate "A" division.
8:00—Eaglettes vs. Rookies, women's division.
9:00—Sprinkling Tailors vs. Eagles, senior "B" division.

NOVEMBER 21
7:00—Black and Whites vs. Canadian Legion, senior "B" division.
8:00—Comets vs. Unities, women's division.
9:00—Northwestern Creamery vs. Brentwood Aces, senior "B" division.

Vancouver Forecast

Moderate winds, becoming partly cloudy and cool.

THAT HEADACHE may be due to **TOXIC POISONS**

Science finds that toxic poisons in the blood stream can cause splitting headaches!

HAVE you ever taken a pill or powder to numb the pain of headache only to find that an hour or so later your headache was just as bad as before you tried to relieve it? Well, science now tells us that many headaches are caused by certain toxic poisons being absorbed into the blood stream.

Andrews Liver Salt offers just the help you may need. It is a pleasant-tasting, effervescent, saline laxative that you don't mind taking. A sparkling, bubbling glass of Andrews Liver Salt first thing in the morning, when needed, usually acts before you leave for work. And Andrews Liver Salt acts *gently* . . . just as gently as you like . . . depending on the amount you take.

Andrews Liver Salt neutralizes excess acid in the stomach . . . an important point when you want to get feeling better in a hurry.

Insist on getting real Andrews Liver Salt when you buy. For it is easy to take . . . actually *tastes good.* Don't accept a substitute. Get Andrews Liver Salt *today* and help get rid of that headache.

Schubert's "Blossom Time" Brings Gaiety and Color

Franz Schubert's light opera, "Blossom Time" delighted its first audience in Victoria Friday evening, when the Messrs. Schubert presented the operetta which has won the hearts of music lovers at the Royal Victoria Theatre.

"Song of Love," the duet between Schubert and the charming Mitzi, [illegible] same theme was heard throughout the performance. "Three Little Maids," "Love in Springtime," "Lonely Heart," "Love is a Riddle," "Only One Love Ever Filled My Heart," and "Keep It Dark," were sung with feeling and warmth.

Tom Barry, in the role of Schubert, showed ability as an actor, and gave understanding to his characterization. Marion Stevens, as Mitzi Kranz, the young girl Schubert loved, was charming and sang well.

The role of La Bellabruna, wife of Count Scharntoff, was well played by Ruth Gillette. Comical in his role of Novotny was Harry K. Morton, who created gales of laughter in his scene with the father of the three girls, Christian Kranz, played by Edmund Dorsay.

Mitzi, Fritzi, and Kitzi, the three daughters, were delightful in trios and dancing groups. Vivacious and lively, their pace was consistent.

Zella Russell, a director of the company, portrayed the roles of Mrs. Kranz, and Mrs. Coburg, Schubert's housekeeper. Her acting was outstanding. Also playing two roles was Betty Davis as Greta, the Maid, and the saucy flower girl.

Costumes and stage settings were colorful. Gowns of the women were vivid and picturesque.

The performance will be repeated this evening, at the Royal Victoria Theatre.

Garden Library Film Draws Crowd

Premier showing of the Children's Garden Library natural color motion picture of the Summer activities of the library at the home of Mrs. W. W. McGill, 1170 Tattersal Drive, was shown Friday night to a packed house at Lake Hill Community Hall. The picture filmed by Mr. A. R. Cann was acclaimed a great success. The sound effect was given to the [illegible] skillfully wove an appropriate background of music, and Mrs. Clifford Hilton led children in action songs as enacted in the film.

Cloverdale and Cedar Hill choirs each gave a group of songs led by Miss Mildred Duncan and Miss Doris Aylis. A Bible drama was enacted by the Garden Library junior groups with Mrs. Frank Schi assisting Mrs. McGill in stage properties and costumes. Little Dianne McPherson delighted the audience with clever acrobatic numbers.

In observance of Children's Book Week a fascinating display of children's books was arranged by Misses Florence and Gwen Scott. The now famous "Rabbit Hill" was illustrated by beautiful wool bunny rabbits.

Lard Shortage Acute

A shortage of lard and shortening which has curtailed production in several bakery shops and fish and chip stores may be eased in about 30 days when overseas shipments taper off, A. C. Lindsay, manager [illegible] yesterday.

Both bakers and dealers in shortening have attempted to spread available supplies throughout the trade, and have been able to keep shops open part time.

W. S. Norrington, chairman of the Victoria section of the B.C. Association, National Council of Baking, stated he had outlined the local situation in a telegram to Ottawa, but to date had received no reply.

The lard shortage was explained by the export of hogs in such a form that the lard-producing portions remain on the carcass. Other shortening, made of peanut and coconut oils imported largely from countries overrun by the Japanese, will be slower than lard in arriving on the market in quantity, dealers stated.

HOME BUILDING DEBATE

Mayor Percy E. George will preside during a discussion of home building in the Chamber of Commerce auditorium on November 30, sponsored by the Council of [illegible] cies. Speakers will include Forrest L. Shaw, Duncan K. Kennedy, Maj. K. Kirkpatrick Crockett, Charles Chivers and a representative of the Victoria Builders' Exchange.

Reaches Portugal

LISBON, Nov. 9 (AP).—Field Marshal Baron Carl Gustaf Mannerheim, president of Finland, arrived in Portugal from Madrid tonight. He is here for his health.

Artist Protests Ottawa Selecting French Architect

VANCOUVER, Nov. 9 (CP).—Lawren Harris, of Vancouver, national president of the Federation of Canadian artists, in an interview today said that he has written the Federal Government protesting the appointment of a French architect to prepare plans for the establishment of Ottawa as a national war memorial.

Prime Minister Mackenzie King announced last August 29 the appointment of Jaque Greber, noted French town planner, to return to Canada and prepare a plan for the area, including the city of Hull on the Quebec side of Ottawa River. Before the war Mr. Greber prepared a plan for downtown Ottawa.

"It is with a heavy heart and a deep sense of shame that I read that the Prime Minister of Canada, its first citizen, has decided to engage a European Frenchman to prepare a master plan of Ottawa and its surrounding area," Mr. Harris said.

"There are Canadian architects, city planners, engineers and sculptors who together are not only competent to prepare such a plan but could do so in terms of the Canadian attitude, conditions and spirit far better than any imported planner," he continued.

"A master plan for this country's capital using the Canadian people's money is strictly a Canadian venture and demands the use of Canadian talent and competence."

Fought Frantically But Burned to Death

VANCOUVER, Nov. 9 (CP).—Mrs. Rose Anderson, 60, battled frantically for life last Tuesday before she died in her flame-filled bedroom a few feet from safety, it was revealed at an inquest today into the aged woman's death. Mrs. Anderson was fatally burned when a "freak" gasoline-fed fire swept through the downtown rooming-house where she lived.

Story of attempts to reach Mrs. Anderson before she died was told to the coroner's jury here by fireman Lorne Campbell, one of the men who rescued two aged pensioners, George Tyler and W. F. Britten from a front attic window.

Campbell said he stumbled over Mrs. Anderson's body a few feet inside a front bedroom window on the second floor.

Fire Chief E. L. Erratt testified there was a lot of gasoline on the ground and flames up the side of the rooming-house when he reached the scene.

Government Resigning

BUDAPEST, Nov. 9 (Reuters).—The Hungarian Provisional Government of Gen. Bela Miklos will resign this week-end, and a new government will be nominated by the political committee of the newly-elected assembly on Monday, it was learned today.
